the story in a small town the undertaker and the doctor plan to steal the body of the town's wealthiest citizen that gentleman a crook has just passed out of the picture and the undertaker who has led a quiet and honest life to date sees no

in his earlier work on King Lear Mr. Heilman combined a number of critical procedures to form a new and important approach to Shakespearean criticism his study of Othello displays the maturity of insight and skill in analysis the years have brought him in developing his critical method Mr. Heilman takes account of stage effects he traces out literal and symbolic meanings he analyzes plot relationships he examines characters in terms of both their psychological and their moral situations and style in relation to both character and meaning he traces some effects due to historical meanings which have now been lost by certain words and he tries to measure the impact of the drama upon and its significance for the modern consciousness Mr. Heilman argues that Othello is at once a play about love and a poem about love and endeavors to find out how the poetry modifies and even helps determine the nature of the whole he looks at numerous aspects of action physical activity psychological movement intellectual operations and language speech habits image types recurrency in both literal and figurative language and examines the

essentially dramatic function of all of these he finds the dramatis personae interwoven in relationships which may be seen from one point of view as plot and from another as the embodiment of complex themes he treats othello and iago as figures that are not only fitted to a given stage but also represent permanent aspects of humanity iago with his strategies against the spiritual order and othello with his readiness in the victim
