jen rozenbaum presents sixty essential skills that will help you to fine tune every aspect of your boudoir shoot she begins with a look into what qualifies as boudoir identifies the subgenres of boudoir portraiture and then launches into a targeted look at various posing strategies that will really amp up your subject's gorgeous curves for a sexy sultry look you'll also find a host of image concepts that you might want to incorporate into your repertoire plus lighting sources and setups jen favors for creating sizzling shots and even tips for selecting a wardrobe that downplays perceived flaws and celebrates your subject's assets of course rozenbaum doesn't stop there there are even sections on changing up lenses for portrait variety working with a lensbaby a specialty lens that offers a sweet spot of focus and pulling out all of the stops with today's must have light source the westcott ice light

a guide to intimate portraits offers advice on equipment makeup styling lighting shooting retouching and postproduction techniques

boudoir photographs are intimate images created of a woman in a private read intimate space the term boudoir in translation means bedroom and images created in the boudoir style whether they are indeed created in a woman's boudoir or in a makeshift bedroom within the walls of a photographic studio are strictly feminine the subjects may be adorned in fine lingerie or perhaps may be shown in

the act of dressing or undressing the images are sensual flirty and always beautiful clients book boudoir sessions to celebrate their sensuality and femininity for some the goal is to document a special phase in life or simply to find a new way to see herself other women seek to book a boudoir session with the goal of providing a significant other with a highly personal and perhaps playful gift regardless of her motivation her expectation is that her photographer will be able to amplify her assets minimize any perceived figure flaws and create a beautiful evocative work of art in order to meet and exceed her clients expectations photographers must have a wealth of technical knowledge just which camera angles exposure settings lens selections and lighting patterns will create the desired look and a facility with coaxing form flattering poses that lengthen legs whittle waistlines enhance the bust and somehow look and feel natural not contrived the expression that is elicited must suit the mood of the image too and of course there are fragile egos at play yes working with a scantily clad subject under the scrutiny of a lens is a tall order sadly each of those concerns can seem magnified when working with the plus sized boudoir subject in this book tammy warnock presents a tangible easy to follow recipe for creating va va voom images of plus size clients that celebrate every sexy curve she introduces readers to 60 real life subjects and investigates the intricate details of conceptualizing and crafting a sensational plus size boudoir session for each session presented for review readers will learn about the client s objectives why did she book the shoot what was the mood or feeling or theme she had in mind tammy will share the strategies she used to create rapport with the client boost her confidence and ensure a positive praise and referral worthy experience the artistic elements of the shot backdrops props and styling and corrective posing and lighting strategies are detailed as well culminating in an inspiring and instructional framework that readers will rely on whenever any boudoir subject calls for services

boudoir portraits are intimate by nature they provide an intimate private look at subjects and are intended for those who have a close emotional relationship with the subject or in some cases are made for the subject herself creating images that capture the romantic sensual side of a subject requires a masterful approach all components of the photography from the photographer client relationship to the setting to the clothing selection to the posing and lighting must be carefully thought out and flawlessly executed in this book robin owen shows off her uncanny skill at creating 60 sweet and sexy images of women and couples as you turn the pages you ll find discussions detailing the artistic approach used to photograph each client and you ll see alternate shots from the session which are sure to inspire additional ideas for your own boudoir clients from one page spread to the next olson provides important insights into sculpting the look you are after you ll learn to work with unexpected lighting configurations and modifiers you ll find and learn how to create unlikely

settings among many other creative considerations that allow you to create images that stand out from the competition with a surprising array of image looks to inspire your creativity and targeted technical discussions this book provides both the impetus and the know how you need after to get out there and create unforgettable images

everything you ever wanted to know about boudoir photography how boudoir photography helps you own your femininity changes the world we live in a world that puts femininity on a pedestal like it is a sacred object and is openly at war with women who dare express themselves too powerfully women are daily exposed to tens of thousands of images of idealized and unhealthy body expectations and societal perceptions about how they are supposed to feel about their own bodies if the old cliché is true and a picture is worth a thousand words then women are getting an encyclopedia worth of negative information daily about their minds bodies and femininity boudoir photography is an act of rebellion against body shaming it is about embracing and honoring femininity not hiding it away most importantly boudoir photography is about strengthening your body mind connection and empowering you to feel beautiful in your natural body boudoir photography is a photographic style that captures intimate or exciting pictures of a woman it is the fine line between a glamorous portrait and a suggestive photograph it is not erotica and women don't have to be in lingerie to create sexy intimate images boudoir photography is a timeless art and is solely focused on revealing your femininity elegantly in a way that makes you feel confident and desirable it is a reminder to love yourself for a change it is all about you not anyone else author christina wehbe is an experienced boudoir photographer who has taken thousands of intimate portraits she is also been mentoring boudoir photographers for years inside this book you will discover the history of boudoir photography common misconceptions about boudoir photography how boudoir photography empowers women what an excellent boudoir photoshoot looks like how your pose and body language empower your femininity the secrets to getting the perfect and sexy photoshoot how boudoir photography changes the way you see your body and much more this book will show you that boudoir photography is not about how others see you it is about empowering you to honor your femininity and documenting it for you and only you first and foremost it is not about the male gaze or society's expectations instead boudoir photography is about channeling your feminine power when you read this book you will understand the strength of your femininity and how you can use boudoir photography to better connect your mind and your body most importantly you will see that boudoir photography empowers you to not only change the way you see yourself but it empowers you to change the world what are you waiting for get your copy of own your femininity right now

boudoir and nude photo book 8.5 x 8.5 120 pages colors book inside with artistic cover designed by ya my name is jantira namwong i am a female boudoir and nude photographer from thailand i started my photography as a way of empowering women in their life work relationships etc i became a boudoir and nude female photographer by chance 7 years ago after i had been in architectural photography for a few years i was working for other people and companies until i became bored of being someone else s employee i wanted to be independent and start my own business i already had knowledge of photography and began looking for which possible path would make a good career i accidentally discovered boudoir photography while searching the internet and realized right away that as a woman i could also make images of beautiful women wearing lingerie in their changing room right away this business idea clicked as something to do as a female after shooting boudoir for two years i then expanded my package to offer clients nude session too the results were amazing after working in this business for a while i realized that every woman loves to see themselves as sexy and beautiful while wearing lingerie they love having their pictures taken while nude to feel and connect with their bodies and to love themselves more they also wanted to share these images with their intimate partner and sometimes with their friends or social media to show the world how beautiful she is confidence is sexy in this photo book i will show you boudoir and nude photos from my collections and talk about how i feel to photograph nudes i will also talk about how female empowerment is very good for men s well being also what do i think would be the perfect my photographs shown here are from photo sessions with my models that work with me privately and also from my workshop i organized for photographers from different countries who came to thailand to join my sessions i will also discuss the difference between boudoir and nude photography and how they could be used to impact our life every one of the models in this book is beautiful and sensual in their own way what they have in common is that they all use their sensuality to become empowered in their life career and relationships this ultimately what boudoir and nude photography is all about it allows us to see our sensuality as an expression of confidence and empowerment not just for women but for men too i hope you enjoy this photo book thank you jantira namwong ya
