efforts to resolve the recent financial crisis have obscured a more deeply rooted financialization crisis that impacts not only the market economy but also the vital civic and moral traditions that support it this book reveals the cultural influence of finance in reshaping the foundations of american civil society and proposes a return to certain first principles of the republic to restore the nation s economic vision this book demonstrates how funding concerns and financial incentives revalue faith traditions educational institutions non profit organizations and even the nation s healthcare system in ways that are eroding the diversity of american culture these changes also undermine the ethical framework of both democratic government and the free market system while financial influence has diminished the value of civil society this book proposes that revitalized intermediary institutions still offer the best path forward in restoring the financial sector and more broadly enriching the american competitive ethic toward development of a more virtuous economy the book is written for an academic and professional audience offering a blueprint for the involvement of civil society with government in providing more communally integrated oversight that could contribute to a genuine democratization of finance

the notion of conflict of interest is more relevant today than ever ethical sensitivities about the relationship between professionals and those they serve is a source of constant debate this book sets a new standard for work on this perennial topic collecting a set of

practical essays by top applied ethicists on a wide variety of professions and occupations some conflicts of interest arise because a profession takes on many roles while serving one goal others take on one role but serve multiple goals some conflicts are internal to the profession others such as family or business connections are external the essays in this volume address such diverse conflicts in a comprehensive way in an attempt to make useful comparisons across professions containing fifteen original chapters by noted scholars of applied ethics this volume systematically explores professions including law medicine journalism engineering financial services anthropology film physical therapy and literary criticism an introductory chapter surveys and contextualizes work on the topic while the concluding chapter offers us a new way to compare conflicts of interest across professions and occupations conflict of interest in the professions will be of great practical interest to scholars of applied ethics and law as well as to professionals in the fields discussed

integrity is essential to judeo christian business ethics but today s business environment is complex those in business and those preparing to enter the business world need to grapple with the question of how integrity and biblical ethics can be applied in the workplace they need to go beyond integrity in their thinking beyond integrity is neither excessively theoretical nor simplistic and dogmatic rather it offers a balanced and pragmatic approach to a number of concrete ethical issues readings from a wide range of sources present competing perspectives on each issue and real life case studies further help the reader grapple with ethical dilemmas the authors conclude each chapter with their own distinctly christian commentary on the topic covered this third edition has been revised to provide the most up to date introduction to the issues christians face in today s constantly changing business culture revisions include 30 new case studies 13 new readings 50 substantially revised sidebars that reflect the issues in the news and business press summaries and material for discussion
