an account of the famous battle of the alamo which presents different points of view of the event

remember the alamo is still a rallying cry more than 175 years after the siege in texas where a small band of men held off about two thousand soldiers of the mexican army for twelve days the alamo was a crucial turning point in the texas revolution and led to the creation of the republic of texas with 80 black and white illustrations throughout and a sixteen page black and white photo insert young readers will relive

this famous moment in texas history

this study examines the american mythology surrounding the alamo and its influence on cultural identity historical memory and ethnic relations over nearly two centuries the mexican victory over an outnumbered band of alamo defenders has been transformed into an american victory for the love of liberty through a metamorphosis of memory and mythology the alamo became a master symbol in texan and american culture in remembering the alamo richard flores examines how this transformation helped to shape social economic and political relations between anglo and mexican texans from the late nineteenth to the mid twentieth centuries flores looks at how heritage society members and political leaders sought to define the alamo and how their attempts reflected struggles within texas society over the place and status of anglos and mexicans flores also explores how alamo movies and the transformation of davy crockett into a hero martyr have advanced deeply racialized ambiguous and even invented understandings of the past

a thoughtful military history of the texas revolution from the perspective of irish americans who were in the thick of it highly recommended midwest book review breaking new ground with original insights phillip thomas tucker s the forgotten defenders of the alamo the irish of the texas revolution 1835 1836 sets forth one of the best remaining untold stories of the alamo and texas revolution by exploring a largely forgotten and long ignored history the dramatic saga of the irish in texas relying upon a wealth of previously unexplored primary sources the forgotten defenders of the alamo is the first book devoted to the dramatic story of irish achievements contributions and sacrifices in winning independence for texas in doing so tucker s study bestows much needed recognition upon the irish and shatters a host of long existing myths about the texas revolution the irish were the largest immigrant group in texas at the time and among the most vocal and passionate of liberty loving revolutionaries in all texas presented not only as a military history of the irish in the texas revolution but also as a social economic and cultural history of the irish in texas the forgotten defenders of the alamo will stand as a long overdue corrective to the outdated views of the story of the alamo and the texas revolution ground breaking carl shanahan president of the irish american museum of washington d c as important a contribution to alamo history as it is to genealogy gary zaboly author of an altar for their sons the alamo and the texas revolution in contemporary newspaper accounts a valuable contribution to texas history anthony zavaleta university of texas

much of the violence that has been associated with the united states has had particular salience for the

south from its high homicide rates or its bloody history of racial conflict to southerners popular attachment to guns and traditional support for capital punishment with over 95 entries this volume of the new encyclopedia of southern culture explores the most significant forms and many of the most harrowing incidences of violence that have plagued southern society over the past 300 years following a detailed overview by editor amy wood the volume explores a wide range of topics such as violence against and among american indians labor violence arson violence and memory suicide and anti abortion violence taken together these entries broaden our understanding of what has driven southerners of various classes and various ethnicities to commit acts of violence while addressing the ways in which southerners have conceptualized that violence responded to it or resisted it this volume enriches our understanding of the culture of violence and its impact on ideas about law and crime about historical tradition and social change and about race and gender not only in the south but in the nation as a whole

despite growing international awareness of the presence and significance of ruined buildings and archaeological sites these sites continue to be at risk across the globe this book defines and describes these risks which range from neglect to destructive archaeology and even well meaning intervention in the name of tourism

remember the alamo is one of the most memorable and meaningful quotes from u s history so memorable that we still study the battle to understand its significance to our lives today numerous primary sources about the alamo transport readers into the past to learn about this momentous development in u s history documents written by Álvar núñez cabeza de vaca davy crockett and william barret travis help readers grasp the lasting significance of the battle of the alamo as well as the events leading up to and following the battle other primary sources include paintings drawings portraits and more sidebars encourage readers to ask and answer questions to improve their ability to analyze primary sources

this full scale novel about the siege and fall of the alamo weaves in a love story between an american naturalist and a widow innkeeper who along with her 16 year old son get swept up in the harrowing events of the heroic battle

details the history of the famous san antonio landmark the alamo

a new york times bestseller lively and absorbing the new york times book review engrossing wall street journal entertaining and well researched houston chronicle three noted texan writers combine forces to tell the real story of the alamo dispelling the myths exploring why they had their day for so long and explaining why the ugly fight about its meaning is now coming to a head every nation needs its creation myth and since texas was a nation before it was a state it s no surprise that its myths bite deep there s no piece of history more important to texans than the battle of the alamo when davy crockett and a band of rebels went down in a blaze of glory fighting for independence from mexico losing the battle but setting texas up to win the war however that version of events as forget the alamo definitively shows owes more to fantasy than reality just as the site of the alamo was left in ruins for decades its story was forgotten and twisted over time with the contributions of tejanos texans of mexican origin who fought alongside the anglo rebels scrubbed from the record and the origin of the conflict over mexico s push to abolish slavery papered over forget the alamo provocatively explains the true story of the battle against the backdrop of texas s struggle for independence then shows how the sausage of myth got made in the jim crow south of the late nineteenth and early twentieth century as uncomfortable as it may be to hear for some celebrating the alamo has long had an echo of celebrating whiteness in the past forty some years waves of revisionists have come at this topic and at times have made real progress toward a more nuanced and inclusive story that doesn t alienate anyone but we are not living in one of those times the fight over the alamo s meaning has become more pitched than ever in the past few years even violent as texas s future begins to look more and more different from its past it s the perfect time for a wise and generous spirited book that shines the bright light of the truth into a place that s gotten awfully dark

Right here, we have countless ebook **Forgetting The Alamo Or Blood Memory** and collections to check out. We additionally give variant types and next type of the books to browse. The standard book, fiction, history, novel, scientific research, as with ease as various new sorts of books are readily approachable here.
