the christian faith offers people hope but how can we know that christianity is true how can christians confidently present their beliefs in the face of doubts and competing views in this second edition of a landmark apologetics text douglas groothuis makes a clear and rigorous case for christian theism addressing the most common questions and objections raised regarding christianity

evangelicals are beginning to provide analyses of our postmodern society but little has been done to suggest an effective apologetic strategy for reaching a culture that is pluralistic consumer oriented and infatuated with managerial and therapeutic approaches to life this then is the first book to address that vital task in these pages some of evangelicalism s most stimulating thinkers consider three possible apologetic responses to postmodernity william lane craig argues that traditional evidentialist apologetics remains viable and preferable roger lundin nicola creegan and james sire find the postmodern critique of christianity and western culture more challenging but reject central features of it philip kenneson brian walsh and j richard middleton on the other hand argue that key aspects of postmodernity can be appropriated to defend orthodox christianity an essential feature are trenchant chapters by ronald clifton potter dennis hollinger and douglas webster considering issues facing the local church in light of postmodernity the volumes editors and john stackhouse also add important introductory essays that orient the reader to postmodernity and various apologetic strategies all this makes for a book indispensable for theologians a wide range of students and reflective pastors

nearly everyone finds beauty compelling so christian apologists should devise ways to present an aesthetic christian apologetic nearly all apologists admit that the beauty of a life well lived and the beauty of the christian community along with the use of media and the arts are not only helpful for apologetics but essential in a postmodern culture in fact it is frustrating to see how many apologists mention the need for such an approach but go on devoting most of their energies to traditional approaches this book is different it clearly shows the pros and cons of traditional approaches and offers a fresh perspective as well arguing that beauty is the most compelling apologetic and suggesting ways to implement such an approach it demonstrates how western culture arrived in its current unfortunate situation and uses both scripture and figures like

athenagoras and jonathan edwards to challenge current views on apologetics

a most accessible but thoroughly practical primer on apologetics
