[?] this is an especially timely publication given the current metamorphosis of politics in the middle east and north africa zlem sand[?] kc[?] and gillian rice are to be congratulated for having sensed the need for a handbook that will alert marketers to the vast market opportunities offered by muslim consumers it is essential to become attuned to the values and principles of islamic cultures that will drive consumption product and service choices brand preference and brand loyalty in coming years the scholars who have contributed to this handbook come from many different backgrounds to offer a kaleidoscope of research and recommendations on how best to serve this previously overlooked segment of consumers who make up a quarter of world markets [?] [?] lyn s amine saint louis university us [?] this ambitious and timely collection will be enormously valuable to readers in the practice and study of the growing field of muslim marketing and branding essays range expertly across key sectors notably finance food and fashion and territories of muslim majority and minority population contributors elaborate the diversity of muslim experiences beliefs and practices that must be taken into account by marketing professionals seeking to exploit this newly recognized market academic authors provide helpful postscripts for marketers making clear the links between their nuanced historicized understanding of contemporary transnational global and local forms of muslim identity and practice this book provides an essential guide to those who study and those who participate in muslim branding and marketing [?] [?] reina lewis london college of fashion uk the handbook of islamic marketing provides state of the art scholarship on the intersection of islam consumption and marketing and lays out an agenda for future research the topics covered by eminent contributors from around the world range from fashion and food consumption practices of muslims to retailing digital marketing advertising corporate social responsibility and nation branding in the context of muslim marketplaces the essays offer new insights into the relationship between morality

consumption and marketing practices and discuss the implications of politics and globalization for islamic markets this comprehensive handbook provides an essential introduction to the newly emerging field of islamic marketing it is invaluable for researchers and students in international marketing who are interested in the intersection of islam and marketing as well as those from anthropology and sociology studying muslim consumers and businesses the book also supplies vital knowledge for muslim and non muslim business leaders generating commerce in islamic communities

in recent years a critically oriented sub stream of research on muslim consumers and businesses has begun to emerge this scholarship located both within and outside the marketing field adopts a socio culturally situated approach to islam and investigates the complex and multifaceted intersections between islam and markets this book seeks to reflect various unheard and emerging critical voices from within the muslim world and provide a series of critical insights on how if and why islam matters to marketing theory and practice it questions the existing assumptions and polarising discussions which underpin the portrayal of islam as the other of modernity while acknowledging that muslims themselves are partially responsible for creating stereotyped representations of islam and the muslim this wide ranging and insightful collection will advance emerging critical perspectives and provide new insights that will influence the generation and application of knowledge in the context of muslim societies it will open up fresh conversations for scholars in marketing as well as the broader humanities and social sciences

this book focuses on islam congruent marketing conduct market processes mechanisms and structure both individual and collective marketing practices and activities marketing institutions and market systems islamic marketing is the discipline concerned with excellence in consumption behavior and marketing practices within different markets the purpose of islamic marketing is not profit maximisation or revenue generation rather its main purpose is to benefit others while minimising harm

the principles of islamic marketing fills a gap in international business literature covering the aspects and values of islamic business thought it provides a framework and practical perspectives for understanding and implementing the islamic marketing code of conduct it is not a religious book the islamic economic system is a business model adopted by nearly one fifth of the world s population baker alserhan identifies the features of the islamic structure of international marketing practices and ethics adherence to such ethical practices elevates the standards of behaviour of traders and consumers alike and creates a value loaded framework for firms establishing harmony and meaningful cooperation between international marketers and their muslim target markets his book provides a complete guide to the requirements an organization needs to follow when managing its entire marketing function within the muslim market or when adapting part of its offering to that market it addresses the challenges facing marketers involved in business activities with and within islamic communities the knowledge needs of academic institutions and the interest of multinationals keen on tapping the huge islamic markets along the way baker alserhan provides insights into the various aspects of promoting to the islamic markets such as franchising distribution channels and retailing practices branding positioning and pricing issues all within the muslim legal and cultural norms above all the principles of islamic marketing will lay the foundation of and advance islamic marketing as a new social science

this book analyzes the current islamic marketing environment since the muslim world is extremely diverse in terms of economic development customs and traditions and political and legal systems it is vital for companies and marketers to analyze the environment before attempting to address these markets the author emphasizes that it is ineffectual to elaborate the distribution and promotion strategies if the market does not exist in terms of purchasing power or demographics if potential consumers do not believe that products and services answer their needs and demands or if there are political and legal barriers to companies wanting to enter these markets the book offers detailed insights into the economic socio cultural and politico legal environment in the muslim world which are essential for marketers to understand and form the foundations of effective marketing strategies

bachelor thesis from the year 2014 in the subject communications public relations advertising marketing social media grade a oxford brookes university course islamic marketing

language english abstract due to the acceleration of globalization and enormous growth of muslim population interest in islamic marketing increased significantly in the past years the study of this dissertation aims to investigate to what extent islam as a religion affects marketing and its components it was hypothesized that islam affects marketing in islamic markets significantly depending on the country and on the specific industry the author intends to fill in a research gap in this area by narrowing its focus on the promotional strategy of products and services in islamic markets the conclusion of the study is based on evaluation of primary and secondary research data the outcome of the study showed that islam indeed has meaningful impact on the business issues generally particularly on the marketing marketers and companies should bear in mind the existing distinction between certain industries and countries as islam does not affect all of them equally

marketing in the emerging islamic markets is a challenging business function since international companies must contend with unfamiliar customs cultural differences and legal challenges this book provides marketers who want to reach this emerging and very lucrative consumer base with essential research based insights on these aspects and how to deal with them this book redefines marketing practice and conduct and challenges conventional marketing wisdom by introducing a religious based ethical framework to the practice of marketing the framework opens a whole new array of marketing opportunities and describes the behavior of the consumer community and companies using a different approach than conventional marketing thought

islamic marketing and branding theory and practice provides a concise mix of theory primary research findings and practice that will engender confidence in both students and practitioners alike by means of the case study included in each chapter through three main parts branding and corporate marketing religion consumption and culture and strategic global orientation this book provides readers from areas across the spectrum covering marketing organisational studies psychology sociology and communication and strategy with theoretical and managerial perspectives on islamic marketing and branding in particular it addresses insights into branding and corporate marketing in the islamic context an introduction to islamic consumption and culture rules and regulations in brands and consumption in islamic markets an identification of how the strategic global orientation of the islamic approach is practised and how it works in different islamic countries such as emerging countries readers are introduced to a variety of business and management approaches which once applied to their business strategies will increase their chances of successful implementation addressing both theoretical and practical insights this book is essential reading for marketing and branding scholars and students as well as ceos brand managers and consultants with an interest in this area

introduction to islamic marketing considers various aspects of islamic marketing including an extensive overview of islamic marketing and related terms it includes introduction of marketing islamic marketing basic concepts in islam the largest integrated approach in the history of marketing the psychographics of muslim consumer principles of islamic marketing provides the reader with insights into the development of its history so as to understand prophet muhammad peace be upon him as a dealer and monitor the women and islamic marketing conventional and islamic marketing
