an indispensable guide to the latest scholarship in the field of roman studies over fifty distinguished scholars elucidate the

contribution of material as well as literary culture to our understanding of the roman world and suggest pathways for fresh investigations

includes proceedings of the society report of the council lists of members etc

this is a new release of the original 1906 edition

with state of the art contributions by scholars who are leaders in their respective fields this edition describes how the integration of natural and human archives is changing the entire historical enterprise

roman archaeology for historians provides students of roman history with a guide to the contribution of archaeology to the study of their subject it discusses the issues with the use of material and textual evidence to explain the roman past and the importance of viewing this evidence in context it also surveys the different approaches to the archaeological material of the period and examines key themes that have shaped roman archaeology at the heart of the book lies the question of how archaeological material can be interpreted and its relevance for the study of ancient history it includes discussion of the study of landscape change urban topography the economy the nature of cities new approaches to skeletal evidence and artefacts in museums along the way readers gain access to new findings and key sites many of which have not been discussed in english before and many for which access may only be gained from technical reports roman archaeology for historians provides an accessible guide to the development of archaeology as a discipline and how the use of archaeological evidence of the roman world can enrich the study of ancient history while at the same time encouraging the integration of material evidence into the study of the period s history this work is a key resource for students of ancient history and for those studying the archaeology of the roman period

a newly updated edition of this classic hugely influential account of how the romans defended their vast empire at the height of its power the roman empire encompassed the entire mediterranean basin extending much beyond it from britain to mesopotamia from the rhine to the black sea rome prospered for centuries while successfully resisting attack fending off everything from overnight robbery raids to full scale invasion attempts by entire nations on the move how were troops able to defend the empire s vast territories from constant attacks and how did they do so at such moderate cost that their treasury could pay for an immensity of highways aqueducts amphitheaters city baths and magnificent temples in the grand strategy of the roman empire seasoned defense analyst edward n luttwak reveals how the romans were able to combine military strength diplomacy and fortifications to effectively

respond to changing threats rome's secret was not ceaseless fighting but comprehensive strategies that unified force diplomacy and an immense infrastructure of roads forts walls and barriers initially relying on client states to buffer attacks rome moved to a permanent frontier defense around 117 ce finally as barbarians began to penetrate the empire rome fielded large armies in a strategy of defense in depth allowing invaders to pierce rome's borders this updated edition has been extensively revised to incorporate recent scholarship and archeological findings a new preface explores roman imperial statecraft this illuminating book remains essential to both ancient historians and students of modern strategy

a journal of romano british and kindred studies

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

examines the political and military history of rome and its empire in the ciceronian and augustan ages this book covers the lives of women and slaves the running of the empire and the lives of provincials and religion culture and propaganda in the period of 82bc ad14 it is suitable for the students of roman history

this new edition of aspects of roman history 31 bc ad 117 provides an easily accessible guide to the history of the early roman empire taking the reader through the major political events of the crucial first 150 years of roman imperial history from the empire's foundation under augustus to the height of its power under trajan the book examines the emperors and key events that shaped rome's institutions and political form blending social and economic history with political history richard alston's revised edition leads students through important issues introducing sources exploring techniques by which those sources might be read and encouraging students to develop their historical judgement the book includes chapters on each of the emperors in this period exploring the successes and failures of each reign and how these shaped the empire sections on social and economic history including the core issues of slavery social mobility economic development and change gender relations the rise of new religions and cultural change in the empire an expanded timeframe providing more information on the foundation of the imperial system under augustus and the issues relating to augustan rome a glossary and further reading section broken down by chapter this expanded and revised edition of aspects of roman history covering an additional 45 years of history from actium to the death of augustus provides an invaluable

introduction to roman imperial history surveying the way in which the roman empire changed the world and offering critical perspectives on how we might understand that transformation it is an important resource for any student of this crucial and formative period in roman history
