in 2013 germany celebrated the bicentennial of the so called wars of liberation 1813 15 these wars were the culmination of the prussian struggle against napoleon between 1806 and 1815 which occupied a key position in german national historiography and memory although these conflicts have been analyzed in thousands of books and articles much of the focus has been on the military campaigns and alliances karen hagemann argues that we cannot achieve a comprehensive understanding of these wars and their importance in collective memory without recognizing how the interaction of politics culture and gender influenced these historical events and continue to shape later recollections of them she thus explores the highly contested discourses and symbolic practices by which individuals and groups interpreted these wars and made political claims beginning with the period itself and ending with the centenary in 1913

the story of joseph gorres s life is in many ways the story of german political culture in the revolutionary epoch indeed his dates 1776 1848 frame the age of revolution and like the age in which he lived gorres s life was marked by great upheavals one of the most prominent german journalists of his age gorres pioneered political journalism or what was called publizistik in germany he was a founder of political catholicism and was in no small part responsible for the fact that germany eventually developed a party based on the catholic confession gorres was also an extraordinarily prolific scholar with an almost dizzying range of interests his life provides a window into an incredibly prolific era in european history into the political implications of the enlightenment the wide reaching intellectual movement of german romanticism the roots of german nationalism and the origins of german political party formation gorres traversed the entire political spectrum of his age his youth formed in the shadow of the french revolution was characterized by enlightened cosmopolitan republicanism what some have dubbed german jacobinism his middle years included a romantic phase in which he helped foster a nascent german cultural nationalism before he became a fiery nationalist writer and publisher of the rheinischer merkur

the most important political newspaper in germany up to that time in the sunset of his life he was primarily a catholic political polemicist gorres helped shape the immensely creative and pivotal years in which he lived years that saw the development of the modern state system and the origin of the political spectrum in germany as well as the very concepts liberal and conservative which are so much a part of our political discourse today

aus dem inhalt hermann wellenreuther die usa ein politisches vorbild der buergerlich liberalen krafte des vormarx u guenter moltmann deutschland und die monroe doktrin u otto pflanze bismarck und die usa die usa und bismarck u detlef junker kampf um die weltmacht

mit diesem band wird erstmals eine umfassende geschichte und analyse der politischen theorie in deutschland vorgelegt die den zeitraum vom mittelalter bis zur gegenwart behandelt
