the study of old norse religion is a truly multidisciplinary and international field of research  
the rituals myths and narratives of pre christian scandinavia are investigated and interpreted  
by archaeologists historians art historians historians of religion as well as scholars of  
literature onomastics and scandinavian studies for obvious reasons these studies belong to  
the main curricula in scandinavia but are also carried out at many other universities in  
europe the united states and australia a fact that is evident to any reader of this book in order  
to bring this broad and varied field of research together an international conference on old  
norse religion was held in lund in june 2004 about two hundred delegates from more than  
fifteen countries took part the intention was to gather researchers to encourage and improve  
scholarly exchange and dialogue and old norse religion in long term perspectives presents a  
selection of the proceedings from that conference the 75 contributions elucidate topics such  
as worldview and cosmology ritual and religious practice myth and memory as well as the  
reception and present day use of old norse religion the main editors of this volume have  
directed the multidisciplinary research project roads to midgard since 2000 the project is
