this collection was inspired by the observation that film remakes offer us the opportunity to revisit important issues stories themes and topics in a manner that is especially relevant and meaningful to contemporary audiences like mythic stories that are told again and again in differing ways film remakes present us with updated perspectives on timeless ideas while some remakes succeed and others fail aesthetically they always say something about the culture in which and for which they are produced contributors explore the ways in which the fears of death loss of self and bodily violence have been expressed and then reinterpreted in such films and remakes as invasion of the body snatchers night of the living dead and dawn of the dead films such as rollerball the ring the grudge the great yokai wars and insomnia are discussed as well because of their ability to give voice to collective anxieties concerning cultural change nihilism and globalization while opening on a note that emphasizes the compulsion of filmmakers to revisit issues concerning fear and anxiety this collection ends by using films like solaris king kong star trek doom and van helsing to suggest that repeated confrontation with these issues allows the opportunity for creative and positive transformation

no 6 of v 2 includes abstracts of unpublished master s theses 1929 30

current appellate decisions with supporting pleadings and approved instructions relating to the law of negligence generally with accompanying editorial comment cross references to additional sources and relevant case annotations

the most current information on united states secondary schools both public and private in a quick easy to use format
