a tour of an ancient library transports us to mesopotamia introducing us to its people their ideas and their humanity the library of ashurbanipal assyria s last great king held an astonishing collection at the forefront of knowledge in its day from ancient traditions in religion and literature to the latest developments in magic and medicine when the assyrian empire fell the library burned to the ground and its contents clay tablets inscribed with cuneiform writing lay buried for thousands of years until a team of victorian archaeologists discovered the remnants in modern day iraq the clay had baked and hardened the very fire that consumed the library had helped its texts to survive for millennia in the library of ancient wisdom scholar selena wisnom one of only a few hundred experts able to read cuneiform script today guides us inside this important collection and through its contents brings ancient mesopotamia and its people to life introducing us to ashurbanipal and his family scribes astrologers physicians and more wisnom explores the library s tablets and the details they divulge about how these ancient people thought about the world like us they had concerns

about job security jealous rivalries and profound friendships and questions about the meaning of life wisnom ushers us into a world where magic was commonplace where the gods spoke to you in dreams and where the secrets of the universe were revealed through puns taking us to the heart of what it means to be human offering a close look at a major historical landmark as well as a readable account of the world s earliest civilizations the library of ancient wisdom lays bare the ideas hopes fears and desires that survive on humble clay

recreates the world of ancient egypt describes how the library of alexandria was created and speculates on its destruction

the libraries of the ancient world were completely unlike those we know today this book explores and explains those differences

this monumental work chronicles the development of the library from 3000 b c to 1600 a d beginning with the clay tablet libraries of the ancient sumerian and assyro babylonian empires to those inspired by the italian renaissance mr staikos reveals the majesty of western literature within these great depositories of human knowledge chapter by chapter the stories of the fabled libraries of alexandria greece and rome unfold like an unbroken chain connecting the wisdom of the ancients to the magnificent libraries of the european renaissance co published with the british library over 400 illustrations 200 in full color of magnificent libraries and their treasures

in the idea of the library in the ancient world yun lee too argues that the ancient library was much more than its incarnation at alexandria which has been the focus for students of the subject up till now in fact the library is a complex institution with many different forms it can be a building with books but it can also be individual people or the individual books themselves in antiquity the library s functions are numerous as an instrument of power of memory of which it has various modes as an articulation of a political ideal an art gallery a place for sociality too indirectly raises important conceptual questions about the contemporary library bringing to these the insights that a study of antiquity can offer

the encyclopedia of library and information science provides an outstanding resource in 33 published volumes with 2 helpful indexes this thorough reference set written by 1300 eminent international experts offers librarians information computer scientists bibliographers documentalists systems analysts and students convenient access to the techniques and tools of both library and information science impeccably researched cross referenced alphabetized by subject and generously illustrated the encyclopedia of library and information science integrates the essential theoretical and practical information accumulating in this rapidly growing field

the short history of libraries printing and language relates the story of printing language books writing and libraries learn about the development of ink papyrus parchment paper and the story of johannes gutenberg s printing press this ripley county edition relates the history of early indiana libraries the indiana state library indiana library laws and the libraries of ripley county

this book not only provides information about and comparisons of libraries it is also a story of libraries and books from the earliest times to the present the hundreds of facts about libraries periodicals books and reference databases around the world illustrate their evolution from crude and simple to sophisticated complex and efficient provided by publisher

this book addresses the proto history and the roots of the qumran community and of the dead sea scrolls in the light of contemporary scholarship in alexandria egypt
