the cd rom gives students an opportunity to test their comprehension of the course material and a learning assessment questionnaire to find out what type of learner he she is

bringing together the views of professionals in psychology social work education nursing and other fields this work describes the changing roles of men as husbands and fathers

greene s approach places primary importance on temporality itself and on the competing discourses on time age and development which play an active role in the construction of the lives of girls and women essential but often neglected insights from the more compelling developmental and feminist theories are woven together within a theoretical framework that emphasizes temporaltiy emergence and human agency the result is a liberating theory of women s psychological development as constantly emerging and changing in time rather that as static and fixed by their nature socio cultural context and personal history

the second edition of this introductory psychology textbook enables the reader to analyse and better understand themselves and others by increasing their awareness of the diversity of human behaviour the book stresses critical thinking about all aspects of behaviour and emphasizes the sociocultural perspective throughout providing students with a broader global view of the science of psychology

study guide for the fifth edition of john w santrock s children

the authors hope you find this book to be special in its approach to adjustment and well being you will discover some underlying philosophies in their discussion of adjustment they believe human beings have the capacity to change to adapt and to effectively cope

with stressful circumstances in their lives they believe that knowledge understanding awareness and insight are significant factors in adjustment they believe that adjustment takes effort work monitoring and persistence culture ethnicity and gender are important contexts of adjustment

this chronologically organized text is less expensive and briefer than most of the human lifespan texts its numerous examples drawn from education nursing and psychology make the content relevant to students from a variety of majors and backgrounds while a highly praised study guide integrated into the text promotes and reinforces conceptual understanding the new edition includes increased material on cognitive development and expanded coverage of culture

the leading text for the adolescence psychology course adolescence 9th edition is the most accurate and up to date text available applauded by adopters as eloquently written and intelligently presented this text bears john santrock s trademark balance of accurate current content for faculty and effective pedagogy for students learning goals have been incorporated into this edition to help students focus on the big ideas in adolescent development the learning goals also serve as the organizing mechanism for the chapter review student study guide and on line resources a rich collection of media resources support the text and bring the critical experiments concepts in adolescent development to life

provided in this book are comprehensive and practical summaries of the literature on fatherhood the book extends the theoretical research perspective of the earlier volume the role of the father in child development and applies it to both clinical practice and policy implications it examines the factors influencing men s varying family roles and includes topics such as increased paternal involvement and its effects adolescent parenthood divorce and custody child maltreatment and poverty and unemployment contributions from more than 20 experts in the field are featured
