hyperechios sayings deserve to be known better and making them available in english translation
makes them fully accessible to scholars readers of all abilities greg peters american benedictine
review s tellar scholarship a marvel this volume is a great basis for lectiodivina for a retreat for a
class in the spiritual life and its vision and tools michael plekon cistercian studies quarterly
hyperechios s exhortation to the monks for the first time in english translation hyperechios is a little
known monk of the fourth to fifth centuries who is thought to have lived in roman palestine possibly
coastal sinai he wrote the exhortation to the monks 160 short sayings much like the apophthegmata
or sayings of the desert fathers and mothers but also structurally very different most of the sayings
are two lines of poetry that offer instruction the exhortation and early christian monastic writings in
general teach that a spiritual life requires a life of training and practice individually and as a
neighbor and friend within one s community this volume studies hyperechios s exhortation to better
understand the moral and spiritual values in a fourth to fifth century christian monastic community
while reflecting also on how these are contemporary with the modern day drawing on modern works
by scholars and placing the exhortation in conversation with contemporary writers on the spiritual
life tim vivian begins with an introduction about hyperechios his location the text then a lengthy
reflection on spiritual matters he follows this with an english language translation of the exhortation
and the greek text both accompanied by footnotes that offer biblical and patristic cross references
exhortation to the monks by hyperechios will be of interest to scholars and general readers of early
christianity early monasticism and christian spirituality both ancient and contemporary

this book provides a critically informed and interdisciplinary global examination of the instrumental role of women as resistance actors both historically and today attention is given to the long and global histories that reveal systemic and structural oppression suffered by women while highlighting that they have been and continue to be an important force for organizing for social change whether through the employment of formal or informal strategies of resistance such as acts of dissent activism pacifism and collective action this book recognizes and highlights that women have repeatedly stood in the face of social political and cultural violence in ways that have gone unrecognized drawing heavily from existing feminist thought especially those feminist voices that exist on the disciplinary margins case studies are used to examine women's strategic resistance acts cases include women's resistance to the taliban in afghanistan chile's un violador en tu camino a rapist in your path the censoring of feminist activism in china korea's 4b movement pussy riot in russia turkey's international women's day the women's social and political union in the united kingdom and the metoo movement solidarityisforwhitewomen as well as the freedom songs of the civil rights era from the united states careful consideration is given to the role of the oppressive patriarchal state recognizing that many resistance actors and movements operate within a global order that enforces colonial carceral policies and prioritizes hetero patriarchal western ideals the book includes chapters on the broad history of women's resistance movements strategies of nonviolent and violent resistance state and feminist backlash the dominance of white feminism in resistance development and philanthropic spaces media both traditional and digital and activism this is essential reading for scholars and students of criminology victimology feminist and gender studies sociology and international relations studies who are interested in the oft neglected role of women's resistance

written in an accessible language this book is a fully updated and revised edition of latin american development a text that provides a comprehensive introduction to latin american development in the twenty first century and is anchored in decolonial theory and other critical approaches this new edition has been revised and updated in a way that takes into account recent changes in political leadership the retreat of the pink tide the colombian peace accords new forms of political and territorial mobilization the intensification of extractivism murders of environmental defenders major disasters and the new contours of feminist and anti patriarchal struggles it features new chapters on decolonial theory latin america in the world disastrous development afrodescendant struggles and the latin american city the book emphasizes political economic social cultural and environmental dimensions of development and considers key challenges facing the region and the diverse ways in which its people are responding as well as providing analysis of the ways in which such challenges and responses can be theorized it explores the region s historical trajectories the implementation and rejection of the neoliberal model and the role played by diverse social movements it is an indispensable resource for students and university lecturers and professors in development studies latin american studies geography anthropology sociology political science economics and cultural studies in addition it provides an invaluable introduction to the region for journalists and development practitioners

what is tango dance music and lyrics of course but also a philosophy a strategy a commodity even a disease this book explores the politics of tango tracing tango s travels from the brothels of buenos aires to the cabarets of paris and the shako dansu clubs of tokyo the author is an argentinean political theorist and a dance professor at the university of california at riverside she uses her tango tongue to tell interwoven tales of sexuality gender race class and national identity along the way she

unravels relations between machismo and colonialism postmodernism and patriarchy exoticism and commodification in the end she arrives at a discourse on decolonization as intellectual unlearning marta savigliano's voice is highly personal and political her account is at once about the exoticization of tango and about her own fate as a third world woman intellectual a few sentences from the preface are indicative tango is my womb and my tongue a trench where i can shelter and resist the colonial invitations to universalism a stubborn fatalist mood when technocrats and theorists offer optimistic and seriously revised versions of alternatives for the third world an opportunistic metaphor to talk about myself and my stories as a success of the civilization development colonization of américa latina and a strategy to figure out through the history of the tango a hooked up story of people like myself tango is my changing resourceful source of identity and because i am where i am outside tango hurts and comforts me tango is a sad thought that can be danced savigliano employs the tools of ethnography history body movement analysis and political economy well illustrated with drawings and photos dating back to the 1880s this book is highly readable entertaining and provocative it is sure to be recognized as an important contribution in the fields of cultural studies performance studies decolonization and women of color feminism

vol 1 includes organization number published nov 1917

a photo illustrated record of chilean protest art along with reflections on artistic antecedents global protest movements and the long shadow cast by chile's authoritarian past from october 2019 until the covid 19 lockdown in march 2020 chile was convulsed by protests and political upheaval as what began as civil disobedience transformed into a vast resistance movement throughout the most striking aspects of the protests were the murals graffiti and other political graphics that became ubiquitous in chilean cities authors terri gordon zolov and eric zolov were in santiago to witness and

document the protests from their very beginning the book is beautifully illustrated with over 150 photographs taken throughout the protests additional photos will be available on the publisher s website from the introduction in the conclusion we take stock of the crisis of the nation state in the contemporary era this chapter brings events into the present moment noting the ways president piñera took advantage of the covid 19 pandemic to reclaim the streets of santiago a phenomenon echoed in countries across the globe while most of the global protest movements were forced to go underground or into the ether the black lives matter movement surged in the united states and drew massive amounts of support both domestically and abroad suggesting a continued wave of grassroots protests we close with reflections on the continued relevance of walls in a virtual world the testimonial role that protest graphics play and the future outlook for revolutionary movements in chile and worldwide

the record of each copyright registration listed in the catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc

the papers collected in this volume are from the proceedings of the cultura popular conference held in 1999 at the manchester metropolitan university the essays deal with the problem of applying culture studies theory to hispanic popular culture
