the moon's galactic history a look at the moon's extraterrestrial past and its connection to earth follows the past and present research about the moon's strange enigmatic history with a focus on an extraterrestrial presence the book examines such questions as are there moon inhabitants are the ufos seen today connected to the moon is there a city on the moon and more

additionally briggs discusses thing observed on the moon including anomalous strange lights unidentified flying objects odd constructions artifacts symbols and more this book examines new thoughts and ideas from researchers and what their ideas are today about the extraterrestrial moon earth connection and what it means for us with all the information on unidentified flying objects in the news today it is time to have an updated book with current research that investigates both the past and present material on the moon did you know that several of the nasa astronauts reported seeing ufos while traveling to the moon the moon might be hollow apollo 10 astronauts heard strange space music when traveling on the far side of the moon mysterious anomalous activity has been seen on the moon for centuries there are said to be ruins of structures on the moon and more

our moon is an enigma the ancients viewed it as a light to guide them in the darkness and a god to be worshipped in modern times it has been taught that the moon is simply a dead rock that is caught in earth s gravity with no activity as a researcher of metaphysical paranormal and cosmic subjects i have come across stories and information about the moon that tell us that indeed there is activity there and there has been for generations just who or what is causing the commotion is a mystery there are stories that suggest that the moon is home to extraterrestrials theories that it is not a natural satellite tales of anomalous lights and tales that nasa astronauts saw extraterrestrial ships and ruins of an ancient civilization there there is a rumor that apollo13 was saved by extraterrestrials another story states that there are extraterrestrial bases on the moon there is even a tale that states that a part of the kingdom of atlantis was once located there some even believe that there are cities beneath the surface of the moon there is an interesting account of a government employee using remote viewing as a means of seeing what is on the moon his experience is eye opening this is just a sample of the information that will be in the encyclopedia of moon mysteries secrets conspiracy theories anomalies extraterrestrials and more for example did you know that aristotle and plato wrote about a time when there was no moon they even gave a name of an ancient tribe of people that lived during that moonless period several of the nasa astronauts reported seeing ufos while traveling to the moon the moon might be hollow apollo 10 astronauts heard strange space music when traveling on the far side of the moon strange and unexplained lights have been seen on the moon for centuries there are said to be ruins of structures on the moon there is an ancient tale that suggests that the first human was created on the moon that radio signals have been detected coming from the moon that famed astronomer sir john herschel saw

unidentified lights above the moon during an eclipse that ancient bolivian symbols tell us that the moon came into earth s orbit around 12 000 years ago a psychic was used by the government to relay information about the moon the book is separated into a to z sections for easy reference and reading

can darwinian evolution actually prove that we are alone in the universe this book illustrates that darwinian evolution is not an empirically predictable or testable scientific paradigm also shows that ancient artifacts on mars and the moon are evidence of game wardens in our own solar system could the earth be a controlled dna repository for the ongoing creation and dissemination of life forms including humans the author puts forth compelling evidence in this well researched work

a comprehensive and in depth look at the early flying saucer technology of nazi germany and the genesis of early man made ufos from captured german scientists escaped battalions of german soldiers secret communities in south america and antarctica to today s state of the art dreamland flying machines the astonishing book blows the lid off the government ufo conspiracy examined in detail are secret underground airfields and factories german secret weapons suction aircraft the origin of nasa gyroscopic stabilisers and engines the secret marconi aircraft factory in south america and other secret societies both ancient and modern that have kept this craft a secret and much more

occasionally reissued with the same isbn but with slightly differing bibliographical details

this book examines ufology and belief in extra terrestrials as a cultural phenomenon the author examines how 19th century occultism particularly theosophy has been revitalized under the guise of scientific speculation and captured the popular imagination unexplained or mysterious phenomenon such as ufos alien visitors crop circles and the evidence for the astronaut gods theory are habitually interpreted by those who claim to have witnessed them in scientific terms a fact that the author believes can be explained partly by tensions and anxieties within society caused by political social and technological change

this book draws on the personal experiences of more than 600 past alumni of the fulbright program a bi national arrangement for the exchange of teachers and scholars between the united states and other countries in outlining the history of the united states new zealand exchange program it provides several

personal narratives about new zealand alumni experiences in the united states and american alumni experience in new zealand appendices include the following lists number of participants by country board members of both the new zealand and u s chapters new zealand research scholars and lecturers new zealand graduate students new zealand exchange teachers and educational and vocational development grants u s graduates research scholars and lecturers exchange students and cultural grants are also listed contains a 36 item bibliography glr

and in a series of exhaustive appendixes he documents their contributions to each medium they worked in testifying to both the breadth and the longevity of their careers the book includes radio logs discographies filmographies and comicographies that will delight historians and collectors alike jacket
