obvious omissions then the list of candidates was probably less than legendary in the first place not so in the case of the syracuse university orangemen calling roll on syracuse s all time basketball greats can take up the greater part of a day the school produced its first all american lewis castle in 1912 most recently carmelo anthony one of the best freshmen to ever play college basketball led the 2003 orangemen to the school s first ncaa championship in between there were legends such as the incomparable dave bing roosevelt bouie and louis orr who together formed the louie and bouie show along with names like derrick coleman sherman douglas lawrence moten and john wallace legends of syracuse basketball features 24 players one coach and one special team within the book s pages are stories straight from the legends teammates their coaches and the legends themselves of the players mentioned 17 played in the nba more telling of the greatness of the syracuse university basketball program is the fact that 10 orangemen who played in the nba did not make this list of legends the same is true of record holders all americans and more fan favorites than are possible to count
