how do you see your future will you be working hard until you're seventy or retiring early wealthy independent and financially free the difference between these scenarios is simple investing in this life changing book joan baker demystifies the jargon and shows how you can make investment work for you no matter what your age if you're in a couple or single or even if you're a complete investment novice you can take control of your finances gone are the days of relying on a man for your financial future after all it's far too important to leave to anyone else a man is not a financial plan gives every woman the skills and inspiration they need to achieve the future they dream of

commonsense rules for financial freedom anyone can do it safe strategies for financial freedom shows you how

to know in 30 seconds whether you should be in or out of the market the authors show you how great investors avoid mistakes and win big with van tharp s legendary risk control techniques learn how the world s most profitable investors reduce their risk and leave their wealth generating potential unlimited and how you can too you ll learn how to invest wisely in every type of market protecting what you earn and developing sources of regular income to achieve financial independence safe strategies for financial freedom provides you with a specific program for freeing yourself from the workplace forever let it show you how to seize control of your financial life by investing in the assets that will provide you with steady income until the day when your investment income surpasses your monthly expenses and you are once and for all financially free

five years ago aged 43 my wife julie and i retired from our corporate jobs we d re engineered our lives to enable us to travel endlessly if we wanted to without needing to ever work again this book explains how we and others like us have managed this unusual feat for two decades of work i thought the only way to regain my freedom from the 9 to 5 was to become an entrepreneur i was wrong i wracked my brains trying to think up a viral smartphone app or perhaps a new import business which would magically create all the income i needed freeing me from the commute office politics and the invisible elastic which stopped me escaping for more than two weeks at a time i failed it was only when we decided to quit and travel anyway living on our savings for two years that the answer was finally revealed to me i wasn t cut out as an entrepreneur but that s ok it turned out there s another way a far more reliable way the way of the non trepreneur we changed the way we saw ourselves in society we simplified our lives reducing what we owned and deliberately living in smaller spaces we dedicated time and energy to learn about investing we read books and blogs to help us better understand ourselves what fears we had and what motivated us we swam against the tide of opinion the end result for us was self determination the ability to do what we want when we want for as long as we want we can travel we can read or write we can help others around us we can run up mountains or lie on the beach our lives are our own our hope for this book is simple that it helps you to achieve a similar goal thanks and the best of luck jason and julie

too many retirees place their trust in financial gurus whose advice may be influenced by conflicting interests or misaligned incentives often the investment guidance offered is piecemeal delivered without a full understanding of your unique goals risk tolerance and retirement needs on the other hand trying to go it alone the diy route can be equally risky without years of experience and knowledge managing your own investments can lead to costly mistakes this book empowers you with a smarter alternative the latest strategies in self directed investing using low cost exchange traded funds etfs you ll learn how to build a resilient worry free portfolio tailored to your retirement lifestyle with the right approach you can retire with confidence live fully and enjoy peace of mind free from financial stress and investment uncertainty

strategies for successful business ownership job security has become a myth no matter where you work alan greenspan testified before the house ways and means committee in february 2004 that there is a turnover rate of approximately 1 million jobs per month because of the turbulent job market more and more people are concluding that entrepreneurship is the way to go however many jobholders view entrepreneurship as risky

entrepreneurship isn't taught in schools and most entrepreneurs endure a baptism by fire before they taste success this book shows you learn not only how to strike out on your own but how to make your entrepreneurial dream a success phil laut charlotte nc self published money is my friend in 1979 and sold 400 000 copies in 18 languages andy fuehl phoenix az is a recognized teacher of business psychology he has also worked for several fortune 500 companies such as at t bell labs and motorola mr fuehl went from unemployed to self made millionaire in less than three years using the methods in this book

how do you transform yourself from mild mannered investor to super trader think clearly plan accordingly commit completely in other words become a trader and no one is better suited to help you make the transformation than legendary trading educator and author van k tharp combining the sharp insight and technical brilliance that has drawn legions of investors to his books and seminars tharp provides a holistic approach for becoming a successful full time trader his system a meld of investing psychology and sound trading practice is the secret to achieving optimum conditions that produce results in both bull and bear markets using the lessons of super trader you will approach trading as you would a small business realistically systematically and enthusiastically drawing on his decades of experience tharp has created a simple plan designed to help anyone master the market you can put this plan to use immediately in order to master the psychology of trading craft a business plan a working document to guide your trading develop a trading system tailored for your personal needs and skills create position sizing strategies to meet your objectives monitor yourself constantly to minimize mistakes throughout the book tharp asks the pertinent questions you must ask yourself about becoming a trader being a trader and succeeding as a trader the rewards that come with being a super trader both financial and personal make you feel as if you can leap small buildings in a single bound whatever your skill level tharp provides the formula for succeeding in a field where most people fail

financial freedom means that you get to make life decisions without being overly stressed about the financial impact because you are prepared you control your finances instead of being controlled by them this book shows business owners how to have the freedom and flexibility they're missing in their business many business owners start a business to gain freedom financial security and flexibility unfortunately many also end up feeling like they have to do everything themselves as a result they become chained to their business or their business feels like a job instead of a way to have more freedom a must read for those ready to take their business to the next level by unlocking human potential provides practical real world strategies for updating or creating the business of their dreams

achieve financial independence today why is personal finance so important yet not widely taught in school why do you need a financial advisor to tell you what to do with your money what if there was a simple roadmap you could follow that would set you down the path to achieving your financial dreams with the average american having 5 700 in credit card debt and less than 1 000 in savings it's time for a change you no longer have to feel frustrated defeated and alone it's time to tackle your fears head on and achieve the life you never thought possible whether you are a financial guru or someone just deciding to walk down this path this book is meant for you and has lessons for everyone to implement in this engaging action oriented book chase

lawson presents proven tips and strategies that will take you from where you are today to where you only ever imagined you could be in financial freedom you will learn such things as how investing earlier can more than double your future net worth when and how to invest different income earning vehicles why it s a no brainer to own your home and how you don t have to be rich to do so how to budget including the importance of a fun fund and emergency fund what goes into a credit score and how to improve yours how shifting your tax withholdings could mean an extra 40 000 upon retirement financial freedom equips readers with the tools they need to live the life they ve always wanted financial freedom turns the complex world of personal finance on its head making it simple and easy to understand no matter your background financial freedom is helping its readers build the proper foundation in their financial house so that they can provide themselves and their families with a life others can envy don t wait read this book and put yourself in the driver s seat towards a better financial future today
