the role that children and youth play in the emerging digital media culture as consumers targeted by marketing campaigns as creators of their own digital culture and as political participants children and teens today have integrated digital culture seamlessly into their lives for most using the internet playing videogames downloading music onto an ipod or multitasking with a cell phone is no more complicated than setting the toaster oven to bake or turning on the tv in generation digital media expert and activist kathryn c montgomery examines the ways in which the new media landscape is changing the nature of childhood and adolescence and analyzes recent political debates that have shaped both policy and practice in digital culture the media has pictured the so called digital generation in contradictory ways as bold trailblazers and innocent victims as active creators of digital culture and passive targets of digital marketing this says montgomery reflects our ambivalent attitude toward both youth and technology she charts a confluence of historical trends that made children and teens a particularly valuable target market during the early commercialization of the internet and describes the consumer group advocacy campaign that led to a law to protect

children's privacy on the internet montgomery recounts as a participant and as a media scholar the highly publicized battles over indecency and pornography on the internet she shows how digital marketing taps into teenagers' developmental needs and how three public service campaigns about sexuality smoking and political involvement borrowed their techniques from commercial digital marketers not all of today's techno-savvy youth are politically disaffected generation digital chronicles the ways that many have used the internet as a political tool mobilizing young voters in 2004 and waging battles with the music and media industries over control of cultural expression online montgomery's unique perspective as both advocate and analyst will help parents politicians and corporations take the necessary steps to create an open diverse equitable and safe digital media culture for young people
