this book is a wonderful compilation of materials dealing with generational curses and we believe that it would be a wonderful asset for your library it would also serve as a powerful guide and source for teaching on this subject most people believe that when they accepted christ into their life that all curses against them were dealt with and broken this is a correct statement but let's look at joshua the successor of moose he was promised the land but he still had to go in and fight for it this holds true for us today because the word in matthew 11:12 states that the kingdom of heaven suffers violence and the violent take it by force as we will find out from this study there are actions that have been done by some people who have brought a curse against their bloodline this must be dealt with before they can be completely free to fulfil the call of god on their life rev agbo demonstrates that he has devoted much study to this subject and wants only to present the truth most people shun this subject of
