the constant pressure to compromise one's faith to the point of complete apostasy
 is present but examples are given of those who won't bow the knee and whose
 faithfulness to god is stalwart the life and style of daniel's prophecy encourages
 involvement in the life of the gentile nation as far as conscience allows and shows
 that while faithfulness to god will entail great dangers it is the key to success daniel
 reassures god's people that he is sovereign and so encourages their faithfulness to

him this is even more the case for christians who know that the son of man has come once to defeat evil will come again to establish his kingdom and that they live in the last days of conflict it is no surprise then that revelation picks up many motifs from daniel and encourages believers to stand firm because of god s final victory
