increasingly over the last 20 years women in poor developing countries have had to cope with growing ecological stress food fodder wood and water previously in adequate supply have become scarce and women have also been deprived of traditional access to cultivable land those who left the countryside for the cities now face terrible pollution miserable housing and poor sanitation and water supplies this reader tells the rarely told story of women living and coping in these dreadful conditions it is a book of hope because it shows them to be not passive victims but courageous fighters and organizers in the face of natural disaster uncaring bureaucracy agencies and governments whose priorities lie elsewhere and traditional structures inimical to their needs the women and their organizations described here have produced demonstrably effective approaches for more sustainable uses of their resources and environments challenging conventional accounts of their roles

this book critically analyses the success achieved by gandhi in mobilizing women on a mass scale for the cause of the country s independence

before 1893 no woman anywhere in the world had the vote in a national election a hundred years later almost all countries had enfranchised women and it was a sign of backwardness not to have done so this is the story of how this momentous change came about the first genuinely global history of women and the vote it takes the story of women in politics from the earliest times to the present day revealing startling new connections across time and national boundaries from europe and north america to asia africa latin america and the muslim world post 9 11 a story of individuals as well as of wider movements it includes the often dramatic life stories of women s suffrage pioneers from across the world painting vivid biographical portraits of everyone from susan b anthony and the pankhursts to hitherto lesser known activists in china latin america and africa it is also the first major post feminist history of women s struggle for the vote controversially jad adams rejects the widely accepted idea that success was primarily a result of the pressure group politics of the suffragists and their supporters ultimately he argues it was nationalism not feminism that was the most important factor in winning women the vote

multidisciplinary focus surveying many disciplines this anthology brings together an outstanding selection of scholarly articles that examine the profound impact of law on the lives of women in the united states the themes addressed include the historical political and social contexts of legal issues that have affected women s struggles to obtain equal treatment under the law the articles are drawn from journals in law political science history women s studies philosophy and education and represent some of the most interesting writing on the subject the law in theory and practice many of the articles bring race social and economic factors into their analyses observing for example that black women poor women and single mothers are treated by the wielders of the power of the law differently than middle class white women other topics covered include the evolution of women s legal status reproduction rights sexuality and family issues equal employment and educational opportunities domestic violence pornography and sexual exploitation hate speech and feminist legal thought a valuable research and classroom aid this series provides in depth coverage of specific legal issues and takes into account the major legal changes and policies that have had an impact on the lives of american women

women and media is a thoughtful cross cultural examination of the ways in which women have worked inside and outside mainstream media organizations since the 1970s rooted in a series of interviews with women media workers and activists collected specifically for this book the text provides an original insight into women s experiences explains the ways that women have organized their internal and external campaigns to improve media content or working conditions for women and established womenowned media to gain a public voice identifies key issues and developments in feminist media critiques and interventions over the last 30 years as these relate to production representation and consumption functions as both a research case study and a teaching text

these volumes provide an authoritative reference resource on leadership issues specific to women and gender with a focus on positive aspects and opportunities for leadership in various domains

in women theory and practice bernard chapin challenges the accepted theories of feminism and sexual equality in this thought provoking revolutionary look at the battle of the sexes in the twenty first century this book captures the true essence of today s apocryphal gap between men and women and how it affects not only the workplace but also romantic relationships and the interactions of men and women everywhere chapin introduces a truly contrarian argument against society s current atmosphere of political correctness he also makes a convincing case for the hidden damage caused by the women s movement and the popular mindset that women are no longer just the fairer sex they are the better sex chapin questions the rationale behind policies and laws created to protect women s rights and to construct equality in the workplace chapin describes society s current backlash against men and how it has created a culture that has wrongly declared women to be intellectually morally and emotionally superior women theory and practice provides a clear rational argument against a popular socio political atmosphere that has turned women into demi gods and men into second class citizens

a growing body of evidence demonstrates that improvements in the status of women and girls however worthy and important in their own right also drive the prosperity stability and security of families communities and nations yet despite many indicators of progress women and girls everywhere including countries of the developed world continue to confront barriers to their full and equal participation in social economic and political life capturing voices and experiences from around the world this work documents the modern history of the global women s movement its many accomplishments and setbacks drawing together prominent pioneers and contemporary policymakers activists and scholars the volume interrogates where and why progress has met resistance and been slowed and examine the still unfinished agenda for change in national and international policy arenas this history and roadmap are especially critical for younger generations who need a better understanding of this rich feminist legacy and the intense opposition that women s movements have generated this book creates a clear and forceful narrative about women s agency and the central relevance of women s rights movements to global and national policy making it is essential reading for activists and policymakers students and scholars alike
