 considering breeding cats there are several factors you need to consider before making a
 decision it is not a job you should undertake lightly and we recommend reading up as
 much as you can on the cat breed you want to breed and what the process may entail
 cat breeding seems to be slightly less complicated than dog breeding since you don t
 need to be as precise about the timing and felines seem to be far more self sufficient at
 handling the mating themselves let s take a closer look at the process cat breeding can
 be a rewarding experience but it s not an operation to be undertaken lightly if you re
 thinking about breeding your pet first consider the tragic surplus of unwanted cats sitting

in shelters and running the streets at this very moment
