mikaela kong is running out of time to save the world training has sharpened mikaela s skills but every hour spent wielding her iron cudgel pulls her further away from her k pop dream as pressure mounts and mikaela struggles with her commitments yan wang the king of the underworld offers her a deal an alliance that could save the realms and help her reclaim her shot at stardom now mikaela must choose join forces with a power that could tip the balance or risk everything including her dream

a riveting memoir of hockey family and addiction from a veteran nhl defenseman in philadelphia flyers orange and black chris therien cut an imposing figure on the ice a stalwart physical presence for over a decade in the nhl but by the end of his playing career he was concealing a much greater battle with alcoholism which bled into his professional and family life the defenseman turned analyst now opens up candidly and completely reflecting on his life and career with perspective gained from over 10 years of sobriety therien takes readers from the blue line to the broadcast booth sharing untold stories from life in pro hockey while laying bare his private struggle with addiction including his ultimate low

in 2006 after the death of his sister road to redemption also details Therien's deep bond with the city of Philadelphia and his new path helping others find recovery from drug or alcohol abuse. Hockey fans will not want to miss this heartfelt and vulnerable tale.

In late 1975 and early 1976 at the height of the Cold War, two of the Soviet Union's long dominant national hockey teams traveled to North America to play an eight game series against the best teams in the National Hockey League. The culmination of the Super Series was reigning Soviet League champion HC CSKA Moscow's face off against the defending NHL champion Flyers in Philadelphia on January 11, 1976. Known as the Red Army Club, HC CSKA hadn't lost a game in the series known as the Broad Street Bullies. The Flyers were determined to bring the Red Army team's winning streak to an end with their trademark aggressive style of play. Based largely on interviews, Ed Gruver's book tells the story of this epic game and series as it lays out the stakes involved: nothing less than the credibility of the NHL. If the Red Army team had completed its series sweep by defeating the two-time Stanley Cup champion Flyers, the NHL would no longer have been able to claim primacy of place in professional level hockey. The Stanley Cup, the most famous trophy in sports, would be devalued if the Flyers fell to the Soviets. Gruver also describes how the game and series affected the styles of both Russian and NHL teams. The Soviets adopted a more physical brand of hockey while the NHL increasingly focused on passing and speed.

Boys' Life is the official youth magazine for the Boy Scouts of America, published since 1911. It contains a proven mix of news, nature, sports, history, fiction, science, comics, and scouting.

Purchase the hardcover version at stlhockeybook.com. Gateway City Puckchasers: The History of Hockey in St. Louis is the first book ever published that details the great hockey tradition in St. Louis, which dates back more than one hundred years, beginning with the Ice Palace and the World's Fair Hockey Club and extending to the 2013-14 St. Louis Blues, who had one of the best records in the National Hockey League. Every important moment is described in addition to focusing on all of the teams, such as the Flyers, Eagles, Braves, Vipers, River Otters, Chill, and Blues. Several of the all-time great players and ambassadors of St. Louis hockey receive special focus. While there have been many great moments in Gateway City hockey, some are so indelible that stories alone are not nearly enough. Entire box scores of several games, including the first hockey game played in St. Louis in 1899, are included. That details all of the important information. Gateway City Puckchasers also features many rarely seen photographs and drawings which only enhance the stories, as well as color graphics showing the various jerseys the professional teams wore through the years. This is a one-of-a-kind book and is a must-have for any St. Louis hockey fan.

Writing in a Technological World explores how to think rhetorically, act multimodally, and be sensitive to diverse audiences while writing in technological contexts such as social media, websites, podcasts, and mobile technologies. Claire Lutkewitte includes a wealth of assignments, activities, and discussion questions to apply theory to practice in the

development of writing skills featuring real world examples from professionals who write using a wide range of technologies each chapter provides practical suggestions for writing for a variety of purposes and a variety of audiences by looking at technologies of the past to discover how meanings have evolved over time and applying the present technology to current working contexts readers will be prepared to meet the writing and technological challenges of the future this is the ideal text for undergraduate and graduate courses in composition writing with technologies and professional business writing a supplementary guide for instructors is available at routledge.com/9781138580985
