american historical review is the oldest scholarly journal of history in the united states and the largest in the world published by the american historical association it covers all areas of historical research

vols 1 include proceedings of the 27th annual meeting of the pacific coast branch of the american historical association

captain james cook first made contact with the area now known as british columbia in 1778 the colonists who followed soon realized they needed a written history both to justify their dispossession of aboriginal peoples and to formulate an identity for a new settler society writing british columbia history shows how euro canadian historians took up this task and struggled with the newness of colonial society and overlapping alliances to the british empire the united states and canada in explorers accounts promotional literature pioneer histories and academic studies they eased these tensions by defining british columbia as part of a global british empire incorporating it into an expanding anglo saxon civilization and writing it into the empire of history itself this sweeping study of the role of history writing in colonialism and nation building will appeal to anyone interested in british columbia history the history of the pacific northwest or history writing in canada
