quest narratives are as old as western culture in stories like the odyssey the lord of the rings star wars and harry potter men set out on journeys fight battles and become heroes women traditionally feature in such stories as damsels in need of rescue or as the prizes at the end of heroic quests these narratives perpetuate predominant gender roles by casting men as active and women as passive focusing on stories in which popular teenage heroines buffy summers katniss everdeen and disney s princess merida embark on daring journeys this book explores what happens when traditional gender roles and narrative patterns are subverted the author examines representations of these characters across various media film television novels posters merchandise fan fiction and fan art and online memes that model concepts of heroism and girlhood inspired by feminist ideas

what happens when a woman dares to imagine herself a hero questing she sets out for unknown regions lighting a torch she elicits from the darkness stories never told or heard before the woman hero sails against the tides of great legends that recount the adventures of heroic men legends deemed universal timeless and essential to our understanding of the natural order that holds us and completes us in its spiral yet these myths and rituals do not fulfill her need for an empowering self image nor do they grant her the mobility she requires to imagine enact and represent her quest for authentic self knowledge the feminization of quest romance proposes that a female quest is a revolutionary step in both literary and cultural terms indeed despite the difficulty that women writers face in challenging myths rituals psychological theories and literary conventions deemed universal by a culture that exalts masculine ideals and universalizes male experience a number of revolutionary texts have come into existence in the second half of the twentieth century by such american women writers as jean stafford mary mccarthy anne moody marilynne robinson and mona simpson all of them working to redefine the literary portrayal of american women s quests they work in part by presenting questing female characters who refuse to accept the roles accorded them by restrictive social norms even if it means sacrificing themselves in the name of rebellion in later texts female heroes survive their lighting out experiences to explore diverse alternatives to the limiting roles that have circumscribed female development this study of the mountain lion memories of a catholic girlhood coming of age in mississippi housekeeping and anywhere but here

identifies transformations of the quest romance that support a viable theory of female development and offer literary patterns that challenge the male monopoly on transformative knowledge and heroic action

published in 1965 in the following pages the author has endeavoured to give as clearly and concisely as possible a description of the literature composing the grail cycle an analysis of its content and a survey of the leading theories to which this perplexing body of romance has given rise

christina stead s works resist simplistic categorization a circumstance which has attracted some critics and exasperated many others the upsurge of post colonial and feminist criticism in the 1980s revitalized critical interest in her books exuberant intertextuality and an abundance of contradictory literary and ideological discourses previously often regarded as excesses flawing stead s literary style now became appreciated qualities the aim of this book is to illuminate a host of revealing but frequently overlooked details that form patterns essential for a deeper understanding and enjoyment of stead s novels intertextuality and the workings of conflicting discourses play prominent parts in the critical analyses of quests undertaken by stead s female characters particularly that of teresa hawkins whose quest provides for love alone with its romance structure a combination of northrop frye s myth criticism with feminist and post colonial criticism opens the way for an in depth analysis of teresa as a modern quest hero informed by literature but at odds with its conventional gender roles the intertextual perspective sheds light on her progress as well as on important parts of the literary context in which for love alone is embedded the concluding survey of stead s other novels traces the development of stead s treatment of female quest within the entire body of her fiction

the future of christology addresses the questions that christology currently faces and or will face in the future in 12 topics the book consists of two parts in the first part kim deals with five topics related to traditional christology while in the second part he wrestles with seven topics related to issues of christology the twenty first century is a challenging time for christianity many in our age are asking what jesus christ means in various dimensions of history culture nature and even beyond the earth changes in values worldviews and

views of the universe are forming a new zeitgeist dong kun kim argues that ways of understanding christ should change accordingly for a christology that fails to communicate meaningfully with the times is void of vitality postmodernism dehistoricization and life post ideology multiculturalism multiple religions and above all the rapid development of the natural sciences pose a serious challenge to traditional christology who is christ in the age of an infinite cosmos how do daily human life social devotion and praxis relate to salvation how can we discuss salvation history in an era post history where does christ stand in the public sphere can the chalcedonian definition of the two natures of christ true god and true human being encompass nature and the cosmos would a third nature of christ be necessary will the cyborg which may appear in the near future be the object of christ s salvation if scientific determinism becomes popular in the future will the basis of faith in christ lose ground if intelligent life exists in the universe what does christ mean to such life this book provides innovative answers to these questions in an academic context

stephen long opens his erudite discussion of theology and ethics with the insistence that moral critique must emerge from a particular location rather than from the fluid values of any neutral observer long sets out to put theology and ethics as well as the church in proper relation to one another ethics must be based in theology not the other way around our finite participation in the infinite makes possible participation in a goodness beyond us that goodness comes to us in the flesh of jesus christ and the church is indispensable in drawing all people toward god s goodness the church a social ethic in itself gives purpose and order to other social institutions including family government and the market
