as david white explains in the introduction to tantra in practice tantra is an asian body of beliefs and practices that seeks to channel the divine energy that grounds the universe in creative and liberating ways the subsequent chapters reflect the wide geographical and temporal scope of tantra by examining thirty six texts from china india japan nepal and tibet ranging from the seventh century to the present day and representing the full range of tantric experience buddhist hindu jain and even islamic each text has been chosen and translated often for the first time by an international expert in the field who also provides detailed background material students of asian religions and general readers alike will find the book rich and informative the book includes plays transcribed interviews poetry parodies inscriptions instructional texts scriptures philosophical conjectures dreams and astronomical speculations each text illustrating one of the diverse traditions and practices of tantra thus the nineteenth century indian buddhist garland of gems a series of songs warns against the illusion of appearance by referring to bees yogurt and the fire of malaya mountain while fourteenth century chinese buddhist manuscripts detail how to prosper through the seven stars

of the northern dipper by burning incense making offerings to scriptures and chanting incantations in a transcribed conversation a modern hindu priest in bengal candidly explains how he serves the black goddess kali and feeds temple skulls lentils wine or rice a seventeenth century nepalese hindu praise poem hammered into the golden doors to the temple of the goddess taleju lists a king's faults and begs her forgiveness and grace an introduction accompanies each text identifying its period and genre discussing the history and influence of the work and identifying points of particular interest or difficulty the first book to bring together texts from the entire range of tantric phenomena tantra in practice continues the princeton readings in religions series the breadth of work included geographic areas spanned and expert scholarship highlighting each piece serve to expand our understanding of what it means to practice tantra

tantra in practice is the eight volume of princeton readings in religions and the first substantial anthology of tantric works ever to appear in english the thirty nine contributors drawn from around the world are leading scholars of tantra each contributor has provided a translation of a key work in most cases translated here for the first time each chapter in the volume begins with an introduction in which the translator discusses the history and influence of the work identifying points of particular difficulty or interest david white has provided a general introduction to the volume that serves as an ideal guide to the riches contained between the covers of this book he has organized the volume thematically providing fascinating juxtapositions of works from different regions periods and traditions two additional tables of contents are provided organizing the works by tradition and by country of origin the range of works represented here is remarkable spanning the continent of asia and the traditions of hinduism buddhism jainism and islam over more than a millennium with the publication this volume the long disparaged and neglected tantric traditions of asia receive the attention they so rightly deserve this is a groundbreaking work

the essays in this volume written by specialists working in the field of tantric studies attempt to trace processes of transformation and transfer that occurred in the history of tantra from around the seventh century and up to the present the volume gathers contributions on south asia tibet china mongolia japan north america and western europe by scholars from various academic disciplines who present ongoing research and encourage discussion on significant themes in the growing field of tantric studies in addition to the extensive geographical and temporal range the chapters of the volume cover a wide thematic area which includes modern bengali tantric practitioners tantric ritual in medieval china the south asian cults of the mother goddesses the way of buddhism into mongolia and countercultural echoes of contemporary tantric studies

bibliography index the tantra is a body of theories techniques and rituals developed in india in antiquity which has two fundamental aspects the first aspect of the tantra is the theory of creation which posits that the universe has no beginning and no end and that all its manifestations are merely the projections of divine energy of its creator the second aspect of the tantra is the belief that the performance of tantrik techniques and rituals facilitates access to this divine energy enabling their practitioners to empower themselves as well as empower others associated with them in the guru disciple relationship thus the knowledge and proper application of tantrik techniques and rituals is believed to harness the creator's cosmic energies to the promotion of the mundane as well as spiritual goals of their practitioners between the vii and the xii centuries and these theories rituals and practices spread to other parts of asia in these parts their interaction with indigenous traditions of shamanism and other magical cults resulted in potent hybrids these not only served the personal needs of their practitioners but were used by the kings to summon the cosmic forces to legitimize their right and power to rule the ancient monarchies elaborate and artistically beautiful icons were developed in sculpture painting bronze and bas relief to portray the basic concept of tantrik theories and various deities of the hindu and buddhist pantheons this book first explores the

origin of the tantra in india its development and emergence of various schools of hindu and buddhist tantrism over the centuries then it explores their spread from tantrik universities in bihar and other centres of tantrik scholarship and rituals practised in west bengal orissa and south india at that time to nepal tibet mongolia china japan and indonesia the coloured plates illustrate the iconographic presentation of the basic theories and concepts of the tantra as well as various deities associated with the pantheons of hindu and buddhist tantrism drawn from different parts of the world

this book explores the tantric concept of shakti or the principal female cosmic entity and her pilgrimage sites it offers a first hand view of the multidimensional ways in which shakti asserted its supremacy over existing vaishnava and orthodox brahmanical traditions in post mediaeval bengal and india the interdisciplinary chapters pave the way to understanding the intra textual relationships between philosophical and conceptual ideas in literary texts and their oral transmission divided into three thematic sections cult inclusiveness Śakti pithas and the Śāktā philosophy the book invites readers to explore a contested area of scholarship from unique perspectives offering rich insights into the nature of negotiations between diverse religious streams it also urges readers to examine the many innovative approaches and theoretical models on the goddess culture of east india the book is of interest to students and scholars of religious textual studies anthropology pilgrimage studies comparative religion sanskrit and bengali languages regional studies south asian cultures goddess traditions and cultural history of mediaeval bengal

tantra in tibet is the first volume in the great exposition of secret mantra series in which the dalai lama offers illuminating commentary on tsongkhapa's seminal text on buddhist tantra it is followed by volume ii deity yoga and volume iii yoga tantra this revised work describes the differences between the mahayana and hinayana streams in the sutra tradition and between the sutra tradition and that of tantra generally it includes highly practical and compassionate explanations from h h the dalai lama on tantra for spiritual development the first part of the classic great exposition of secret mantra text and a supplement by jeffrey hopkins on the meaning of emptiness transformation and the purpose of the four classes of tantra

the first complete translation into english of this tibetan text together with the informative commentary by the 8th century master buddhaghosha this text is of seminal importance for the history of buddhist tantra especially as very little has been published concerning the origins of tantra in india

this book clearly outlines and discusses the methods for transforming both body and mind through the highest forms of tantric practice highest yoga tantra is the pinnacle of tantric systems found in the tibetan buddhist tradition remarkable for its definitive clarity this exposition of the stages of highest yoga tantra is the first of its kind in the english language and a must for anyone interested in these highest tantras book jacket

tantra in tibet consists of three parts published under the auspices of the dalai lama the great exposition of secret mantra part i by tsong ka pa is one of the principal classic texts on tantra it presents the main features common to all the buddhist tantra systems as well as the difference between sutra and tantra

tantra yoga is actually a spiritual teaching that was developed based on a deep understanding of the reality of the self the universe and god this teaching guides spiritual learners to be

able to step into divine consciousness with the estuary of liberation of the soul from all the roots of sorrow in tantra yoga there are systems and methods that lead to the purification of the soul from all karmic residues bad traces of trauma and mental wounds angkara murka illusions and entanglements of inharmonious energies unfortunately a lot of confusion has developed regarding tantra in the west there are many neo tantras that make sexuality the axis of teaching this triggers people to associate tantra with sexuality in other parts of the earth such as in nusantara tantra is often associated with brutal rituals that are considered as the application of the teachings of panca makara legendary figures from nusantara such as adityawarman sri kertanegara and calon arang are often mentioned as practitioners of tantra specifically bhairawi tantra with the habit of holding following rituals that undoubtedly make people in the modern era shake their heads eating corpses binge alcoholic drinking and sex parties or performing dances mystic naked in the grave this book was actually written to answer all the confusion and at the same time straighten the slander against the legendary figures of nusantara in this book tantric practices are explained which are actually divine simple and effective to lead to enlightenment and a life full of happiness tantric practice includes dhyana pranayama samadhi mantra yantra and others the author of this book setyo hajar dewantoro is a practitioner of tantra as a path of stillness mindfulness that leads to connectedness as well as and great oneness with sang hyang atman true selfdivine self and brahman god almighty the readers are invited to dive into tantra as a teaching of spiritual sciences as well as and a holistic method for the transformation of the soul towards purity wisdom and complete perfect empowerment

this 2 volumes set guides the reader towards a better understanding of the secrets explaining in simple language important facets of the mysteries of tantra

whether you are in a relationship whether you are single gay or straight or young or old tantra will bring a new dimension to your sex life and your relationships from extending orgasms or just having them in the first place to healing sexual problems to developing a sense of spiritual connection tantra is for every body tantra is not just about being sexy it is about being alive to your senses it is particularly appealing to women because it is they who take the lead tantra also gives women the opportunity to celebrate their femininity and men are encouraged to revere it many women are self conscious about their bodies tantra will help you to be conscious of your body but in a positive and empowering way and for men the pressure to perform is removed replaced by reciprocation connection and ultimate fulfilment so no more grunting turning over and falling asleep
