governance and public policy in canada lays the foundation for a systematic analysis of policy developments shaped as they are by multiple players institutional tensions and governance legacies arguing that provinces are now the most central site of governance and policy innovation the book assesses the role of the provinces and places the provincial state in its broader economic institutional social and territorial context the aim throughout is to highlight the

crucial role of provinces in policy changes that directly affect the lives of citizens three key themes unify this book first it addresses the role of policy convergence and divergence among provinces although the analysis acknowledges enduring differences in political culture and institutions it also points to patterns of policy diffusion and convergence in specific areas in a number of provinces second the book explores the push and pull between centralization and decentralization in canada as it affects intergovernmental relations third it underscores that although the provinces play a greater role in policy development than ever before they now face a growing tension between their expanding policy ambitions and their capacity to develop fund implement manage and evaluate policy programs governance and public policy in canada describes how the provincial state has adapted in the context of these changing circumstances to transcend its limited capacity while engaging with a growing number of civil society actors policy networks and intergovernmental bodies

canada is a relatively small player on the world scene but is still big enough to be heard the theme of this year s volume of canada among nations is the need for choices in canadian foreign policy in an environment of fiscal constraint the necessity of choice is related to establishing priorities within the multitude of international organizations to which canada belongs if we can no longer afford to be a member of a large number of international institutions which memberships will we uphold and on what grounds will we decide these questions and others are addressed from a variety of standpoints as in the past each article in canada among nations is a free standing contribution contributors have their own distinctive viewpoints and perspectives on where canada stands in the community of nations and where the country s foreign policy priorities should lie

the encyclopedia of social welfare history in north america is a unique reference work that provides readers with basic information about the history of social welfare in canada mexico and the united states the intent of the encyclopedia is to provide readers with information about how these three nations have dealt with social welfare issues some similar across borders others unique as well as to describe important events developments and the lives and work of some key contributors to social welfare developments in choosing a continental focus editors john m herrick and paul h stuart encourage readers to explore cross national and comparative work in the development of social welfare history the encyclopedia defines social welfare broadly to include education informal mutual assistance the development of the social work profession and voluntary charitable activities as well as state supported public welfare activities the coverage is therefore broad and interdisciplinary including the fields of anthropology health sciences history political science social work and sociology editors include specialists in the social welfare history of each nation and they have collaborated with scholars from a variety of academic disciplines to prepare entries of varying length addressing these issues associate editors for canada and mexico both authorities in the history of social welfare in those countries were responsible for recruiting expert contributors in their fields no other reference work takes this unique continental approach and as such this will be a much needed acquisition for any academic or large public library with a social science collection beginning students as well as established scholars will find this an invaluable starting point for investigations into new areas of inquiry topics covered canada charity child welfare economic conditions and social welfare economics tax policy health mental health policy landmark social welfare legislation mexico poverty race and social inequality social problems social security
