american indian autobiography is a kind of cultural kaleidoscope whose narratives come to us from a wide range of american indians warriors farmers christian converts rebels and assimilationists peyotists shamans hunters sun dancers artists and hollywood indians spiritualists visionaries mothers fathers and english professors many of these narratives are as told to autobiographies and those who labored to set them down in writing are nearly as diverse as their subjects black elk had a poet for his amanuensis maxidiwiac a hidatsa farmer who worked her fields with a bone blade hoe had an anthropologist two leggings the man who led the last crow war party speaks to us through a merchant from bismarck north dakota white horse eagle an aged osage told his story to a nazi historian ø by discussing these remarkable narratives from a historical perspective h david brumble iii reveals how the various editors assumptions and methods influenced the autobiographies as well as the autobiographers brumble also and perhaps most importantly describes the various oral autobiographical traditions of the indians themselves including those of n scott momaday and leslie marmon silko american indian autobiography includes an extensive bibliography this bison books edition features a new introduction by the author

in this volume we share charlotte bronte s experience for four crucial years the success of jane eyre and the strange power of wuthering heights made the brothers bell the universal theme of conversation but privately the family endured the deaths of branwell bronte in september and emily in december 1848 followed by anne s in may 1849 haunted by the fear that she also would succumb charlotte found salvation in writing shirley published in october 1849 and comfort in her friendship and correspondence with ellen nussey with her publishers especially george smith with mrs gaskell and for a time harriet martineau she may also have received a proposal of marriage from smith edler s manager james taylor

momigliano traces the growth of ancient biography from the fifth century to the first century b c by clarifying the implications of the fact that the greeks kept biography and autobiography distinct from historiography he contributes to an understanding of a basic dichotomy in the western tradition of historical writing

this series takes advantage of the latest research related to standardized testing it prepares not only students but also

teachers and parents for successful testing experiences each book in the series presents test taking strategies and anxiety reducing tips the practice tests cover grade specific standards based content the test questions are similar in style to those found in current standardized tests there s no magic in these books they re not fancy but they offer the very best preparation for making the most of testing and getting results that accurately measure what each student knows
