shortly after the end of the second world war the united kingdom was described as one vast aircraft carrier anchored off the coast of europe during a seven year period 500 airfields were constructed to serve the needs first of the raf and later the usaaf as they carried the war to german occupied europe the airfields that were constructed took many different forms from training airfields and advanced landing grounds to grass fighter airstrips and vast complexes used to accommodate heavy bombers this book charts the history of each second world war airfield in and around the uk providing a unique insight in to the construction operational life and post war history of each airfield alongside detailing the history of each airfield this work comprehensively records the details of each unit that operated from airfields around the uk the information provided in this meticulously researched book is supported by a wealth of 690 photographs providing an illustration into the life of each wartime station

an amazingly detailed and inspiring account of the only daytime air expedition to help polish freedom fighters during world war ii books monthly the frantic operations were conceived in late 1943 during world war ii making soviet airfields accessible to long range american aircraft based in italy and later england yet stalin had to be persuaded by the united states to let them use frantic to drop supplies to the poles after the warsaw uprising began in 1944 on september 18 1944 american b 17

flying fortresses supported by fighter planes dropped arms ammunition medical supplies and food over the city of warsaw the assistance came too late and had no bearing on the situation of the polish freedom fighters in warsaw but the events of that day and the courage of 1 220 airmen who risked their lives are still remembered by the poles of warsaw a thoroughly researched impressively detailed and exceptionally well written history this book gives a full narrative of the frantic 7 operation itself midwest book review using firsthand accounts of the events from the freedom fighters on the ground in warsaw the fates of the young aircrew in particular those of i ll be seeing you are told in detail it also sets frantic 7 in its political context and explains how the diplomatic wrangles helped set the stage for the breakdown in relations between the soviet union and the united states and the beginning of the path to the cold war

when the first american servicemen arrived in england in march 1942 the indigenous population greeted their presence with mixed feelings a certain level of resentment of these newcomers was harboured by the english and expressed by many in the in the well worn phase of the time over paid over sexed and over here but without the presence of american servicemen in britain and its huge military and industrial muscle the war with germany would probably have been lost using a combination of contemporary eyewitness and documentary sources plus latter day interviews linked together by engaging narrative helen milligate takes a look at the background to the friendly invasion where they all came from who they were where they were stationed and what they did she examines how the yanks got on with the locals how they fitted in or didn t their impact on the social structure of england in the 1940s the problems they brought with them and their impressions of england she concludes with the journey home once the war in europe had ended describing what the yanks left behind them and the wives and sweethearts they took stateside

none of us had the faintest idea where we were going but during 1938 39 the town christchurch was made strangely interesting for anyone like myself with the scattered arrival of the refugees all at once there were people among us who were actually from vienna or chemnitz or berlin who knew the work of schoenberg and gropius anthony alpers 1985 from the 1930s through the 1950s a substantial number of forced migrants refugees from nazism displaced people after world war ii and escapees from communist countries arrived in new zealand from europe among them were an extraordinary group of artists and writers photographers and architects whose european modernism radically reshaped the arts in this country in words and pictures strangers arrive tells their story ranging across the arts from photographer irene koppel to art dealer and printmaker kees hos architect imric porsolt to writer antigone kefala leonard bell takes us inside new zealand s bookstores and coffeehouses studios and galleries to introduce us to a compelling body of artistic work he asks key questions how were migrants received by new zealanders how did displacement and settlement in new zealand transform their work how did the arrival of european modernists intersect with the burgeoning nationalist movement in the arts in new zealand strangers arrive introduces us to a talented group of aliens who were critical catalysts for change in new zealand culture

like the long reach down to earth is a message from the battle at its height told in their own words by the men who fight this is how brig gen francis griswold viii fighter command ends his introduction to this book his official endorsement reveals just how important a document down to earth was to the teaching of tyro fighter pilots heading for action in the eto more leading aces were lost to flak whilst ground strafing than to german fighters in this book william hess has included biographies of all the pilots that originally contributed to this work back in 1943 44

if the fates had been just a shade different we might all be flying to and from cullerton international instead of o hare international this is the incredible story of bill cullerton a leading united states army air force ace in world war two few could have survived the harrowing ordeal he experienced here is a tale of salmon fishing war survival and friendship this is the true story of the window at st catherine s the waffen ss officer takes bill s gun jams it against his right side just under his rib cage for you the war is over the waffen ss officer says he pulls the trigger the window at st catherine s is really a grabber hanging on every word is a cliché so i won t use it but it is a good read solidly and well told william a rooney co author the enola gay and the smithsonian institution

poet social scientist and literary essayist reuel denney is best known perhaps as co author of the lonely crowd with david riesman and nathan glaser these selected essays and poems edited by tony quagliano span a wide range of topics and more than a half century of american cultural history the topics range from international finance to leisure from greek mythology to disney from american poetry to the great oral tradition of polynesian poetry woven throughout is denney s fascinating memoir experience in the world an autobiographical meditation on america in the twentieth century this unique collection presents one poet and scholar s encounter with the complexities of american life american culture denney shows us is the product of the many cultures of the world it is indeed a feast of strangers this is a work for scholars students and other researchers of american literature and culture studies

this latest volume in the studies in antisemitism series looks at the interaction between nationalism and antisemitism in post napoleonic europe using a framework of major historical events for the period 1815 1945 shmuel almog traces the radicalization of national ideology in these years and its relationship to the rise of political antisemitism nationalism in early nineteenth century europe developed originally as a liberal democratic philosophy in opposition to existing political social and economic structures this coincided with a period of increasing integration of the jewish minority into mainstream european life particularly in economic spheres by the 1870s however the continued growth of nationalist aspirations increasingly allied to an imperialist conservative and militaristic culture led to a rise in discord between nations and a concomitant increase in the importance of national peculiarities this was to have a profound effect on the jewish communities in europe with the jews being viewed as an alien and even dangerous force within the newly created nation states the book argues that growing extremism in nationalist attitudes afforded a suitable ideological and social background for antisemitic activity as manifested by calls for discriminatory legislation against jews the pogroms of eastern europe and ultimately the nazi holocaust this analysis is substantiated and reinforced by a series of annotated documents and illustrations this book is a clear account of the development of one of the key elements of antisemitic ideology in this important period of european history

covering the scottish ulster relationship since the early 17th century this book examines protestant policies the impact of socialism the politics of nationalism and many other relevant topics

presenting the works of 50 contemporary artists and photographers from around the world strangers explores the different roles the camera now plays in negotiating the boundaries between public and private life trust and fear intimacy and isolation accompanying the first recurring exhibition of its kind devoted to photography and related media at the international center of photography in new york strangers investigates the social world through images that have been created as a result of

encounters with people unknown to one another in addition to the more personal and psychological aspects of estrangement the artists in strangers also engage with the theme of globalization and diaspora an especially timely subject in its geopolitical ramifications strangers includes illuminating biographical essays on each of the artists and their works four original essays by icp curators brian wallis christopher phillips carol squiers and edward earle that explore the ever evolving and prescient theme of strangers and approximately 200 images generated in a variety of media from traditional and digital processes to multimedia installations and video artists represented include olivio barbieri philip lorca dicorcia luc delahaye rineke dijkstra david goldblatt bill henson susan meiselas shirin neshat john schabel and joel sternfeld among others
