the equivalent of a foundation course in traditional oil painting for beginning to intermediate level artists this in depth book uses the

still life as a practical way to master oil techniques the still life is a practical forgiving genre as it does not require the likeness of a portrait or the accurate proportions of the figure and unlike the landscape it doesn't change with the weather instead it gives aspiring artists ample time to study and the opportunity to look closer it can be used as a purely formal subject for drawing and painting techniques or a platform for emotional expression using personal symbolism and imagery however though the still life is used throughout as a teaching tool this is first and foremost a book about oil painting it begins with simple compositions that build to more complex arrangements starting with essential information on how to best set up your studio including lighting equipment materials paints solvents brushes mediums and preparing your canvas and paper for oil painting still life painting atelier then offers concrete lessons in a logical progressive sequence with step by step illustrations finished paintings diagrams and tips chapters cover how to address composition through thumbnail sketches and line drawings using underpainting to study the characteristics of light and shade the basics of color theory and color mixing how to use a variety of brushes to create sharp and soft edges techniques that are helpful when painting metal and glass how to apply glazing and scumbling to bring luminosity and texture

want to paint more like manet and less like jackson pollock students of art hailed classical drawing atelier juliette aristides's first book as a dynamic return to the atelier educational model ateliers popular in the nineteenth century teach emerging artists by pairing them with a master artist over a period of years the educational process begins as students copy masterworks then gradually progress to painting as their skills develop the many artists at every level who learned from classical drawing atelier have been clamoring for more of this sophisticated approach to teaching and learning in classical painting atelier aristides a leader in the atelier movement takes students step by step through the finest works of old masters and today's most respected realist artists to reveal the principles of creating full color realist still lifes portraits and figure paintings rich in tradition yet practical for today's artists classical painting atelier is ideal for serious art students seeking a timeless visual education

revel in the luminous and vibrant qualities of pastel with ellen eagle's essential course in the history techniques and practices of the medium in this comprehensive yet intimate guide eagle explores pastel's rich but relatively unexamined past reveals her own personal

influences and approaches and guides you toward the discovery and mastery of your own vision in pastel painting atelier you will find advice on basic materials guidance on building storing and organizing a collection of pastels choosing the right paper and the importance of experimentation studio practice suggestions ideas for creating your ideal working environment and recipes for making your own pastels and supports study of the working process lessons on proportion gesture composition color application identifying and correcting problems and recognizing when a work is finished meditation on subject cues for extrapolating the subtle details presence and temporal features of whatever you choose to paint step by step demonstrations eagle s acute insights into her own works as they progress a magnificent selection of works by masters such as james abbott mcneill whistler rosalba carriera mary cassatt and eugene delacroix augment this guide as do works by contemporary artists including harvey dinnerstein elizabeth mowry and daniel massad aimed at serious artists this guide enlightens instructs and inspires readers to create brilliant and sensitive works in the historic medium of pastel

the success of storytelling in games depends on the entire development team game designers artists writers programmers and musicians etc working harmoniously together towards a singular artistic vision interactive stories and video game art is first to define a common design language for understanding and orchestrating interactive masterpieces using techniques inherited from the rich history of art and craftsmanship that games build upon case studies of hit games like the last of us journey and minecraft illustrate the vital components needed to create emotionally complex stories that are mindful of gaming s principal relationship between player actions and video game aesthetics this book is for developers of video games and virtual reality filmmakers gamification and transmedia experts and everybody else interested in experiencing resonant and meaningful interactive stories key features the first book to define a common visual and interactive language for understanding and orchestrating sophisticated stories in video games accessible to industry professionals as well as non developers featured concepts apply to all media with an interactive component including transmedia gamification and interactive art the definitive framework for designing interactive stories

the art of portraiture approached its apex during the sixteenth century in europe with the discovery of oil painting when the old

masters developed and refined techniques that remain unsurpassed to this day the ascendance of nonrepresentational art in the middle of the twentieth century displaced these venerable skills especially in academic art circles fortunately for aspiring artists today who wish to learn the methods that allowed the old masters to achieve the luminous color and subtle tonalities so characteristic of their work this knowledge has been preserved in hundreds of small traditional painting ateliers that persevered in the old ways in this country and throughout the world coming out of this dedicated movement portrait painting atelier is an essential resource for an art community still recovering from a time when solid instruction in art technique was unavailable in our schools of particular value here is a demonstration of the old masters technique of layering paint over a toned ground surface a process that builds from the transparent dark areas to the more densely painted lights this method unifies the entire painting creating a beautiful glow that illuminates skin tones and softly blends all the color tones readers will also find valuable instruction in paint mediums from classic oil based to alkyd based the interactive principles of composition and photograph based composition and the anatomy of the human face and the key relationships among its features richly illustrated with the work of preeminent masters such as millet gōricault van gogh as well as some of today s leading portrait artists and featuring seven detailed step by step portrait demonstrations portrait painting atelier is the first book in many years to so comprehensively cover the concepts and techniques of traditional portraiture

a complete course on acrylic painting for beginners and experienced artists that covers classic approaches and new innovations embraced for versatility quick drying properties and non toxicity no medium offers a wider range of effects for creating highly expressive art than acrylics with its flexibility and ease of use acrylic paint is a must try for painters no matter your skill level here noted artist and school of visual arts instructor james van patten draws from years of experience to show you how to use acrylics to achieve a variety of results from watercolor like transparency and the flatness of tempera and gouache to the buttery quality of oils he presents an insider s look at the most up to date tools materials and techniques used by top painters in the medium to produce highly expressive art van patten offers guidance on materials processes balance and composition and focuses on effectively using color in painting replete with detailed step by step technical demonstrations and a catalog of inspiring works by notable past and

contemporary artists as well as the author himself and his students the acrylic painter provides a complete classic art instruction manual for painters of all abilities in one of today's most popular types of paint

reflections on art and culture from diderot's salons to panodyyssey and art explora offers a series of art reviews of some of the most exciting and artistically diverse trends in contemporary painting sculpture and photography presented in light of art history aesthetics and intellectual history it also introduces two of the most promising cultural ventures that build upon the enlightenment tradition of the salons panodyyssey founded by french entrepreneur and music executive alexandre leforestier and art explora founded by two of the leaders of paris's top museums frédéric jousset and bruno julliard in emphasizing a wide range of styles of art this book also covers a critical blind spot by including contemporary artists influenced by realism and romanticism who are extremely popular with galleries buyers and the general public but tend not to get the attention they deserve from art critics and museums of contemporary art at the same time in the spirit of promoting artistic pluralism reflections on art and culture also presents much discussed trends such as damien hirst's neoconceptual art as well as some of the most popular artistic photographers in the world who successfully straddle the domains of marketing and art

aboriginal and torres strait islander art explores the effects of queensland government policies on urban first nation artists while such art has often been misinterpreted as derivative lesser copies of true indigenous works this book unveils new histories and understandings about the mixed legacy left for queensland indigenous artists gretchen stolte uses rich ethnographic detail to illuminate how both aboriginal and torres strait islander artists understand and express their heritage she specifically focuses on artwork at the aboriginal and torres strait islander art studio in the tropical north queensland college of technical and further education tnqt tafe cairns stolte's ethnography further develops methodologies in art history and anthropology by identifying additional methods for understanding how art is produced and meaning is created
