in original language and not translated to modern english

the turkish ceremony in le bourgeois gentilhomme has been popular with audiences for
almost 350 years and remains one of the bestknown scenes of early modern french theatre
this newly researched volume spotlights the turkish ceremony in its original technicolor
presenting numerous important discoveries that have never before been published it shows
that even in a field as thoroughly investigated as the collaboration between molière and lully
at the court of louis xiv there is still much new source material to be discovered and many
new connections to be made as the multidisciplinary essays examine the burlesque turkish
scene from a social political textual and iconographic view point they unearth time and again
flaws omissions and errors transmitted in earlier scholarship ritual design is a must have
volume that sets the record straight

this bibliography cites those canadian and foreign reference sourcesthat describe canadian
