seminar paper from the year 2020 in the subject politics general and theories of international politics grade 1.0 university of cologne language english abstract the aim of this paper is to highlight the misogyny of the extreme right and examine the online spaces in which lone wolves radicalize themselves in particular the incel movement which has gained notoriety in recent years with multiple domestic terrorist attacks many of them targeted toward women across the world the goal is to show that alt right and incel ideologies often go hand in hand there is a misogynist and an anti feminist agenda that runs like a red thread through the manifests of extreme right attackers and still there is almost no public discussion addressing it since the intent of this paper is to show connections between extreme right and incel ideologies we will first make sense of the incel movement as a whole and the so called manosphere subsequently we will examine the similar characteristics of the incel and extreme right world view and have a look at three case studies of recent domestic terrorist attacks examine their motive their underlining ideologies and discuss whether its perpetrators can be ascribed to both the extreme right and the incel community

in this book a new general model of delayed transitions to democracy is proposed and used to analyze mexico's transition to democracy this model attempts to explain the slow gradual dynamics of change characteristic of delayed transitions to democracy and is developed in a way that makes it generalizable to other regional contexts utilizing both qualitative and quantitative data based on an original data set of forty thousand individual interviews schatz analyzes how the historical authoritarian corporate shaping of interests and forms of political consciousness has fractured the social base of the democratic opposition and inhibited democratizing social action using comparative cases of delayed transitions to democracy the author's conclusions challenge and improve upon current theories of democratization in elaborating a model for the delayed transition to democracy the author argues that the emphasis on transformative industrialism in both political modernization and class analytic theories of social bases of democratization is modeled too closely on the western european process of democratization

to allow a full explanation of the case of Mexico's transition to democracy in addition she argues that a delayed transitions model provides a more adequate explanation of gradual transitions to democracy because such a model builds on the insights of structural theories regarding the social bases of anti authoritarian mobilization to support the delayed transitions model. Schatz compares Mexico with Taiwan and Tanzania countries also characterized by delayed transitions to democracy in the late twentieth century. This important book fills a considerable gap in the literature on democratization at the end of the century.
