this book illustrates how to design and implement co creation a powerful form of collective creativity that harnesses the potential of teams and can generate breakthrough insights skilled leaders and facilitators can utilize this approach to unleash the creative potential of their organizations drawing from years of applied research the authors bring together insights from the fields of design and organizational development into an evocative and pragmatic how to guidebook taking a human centred rather than process oriented perspective the book argues that experience design separates true co creation from other forms of collective efforts and design thinking collective moments of creative insight emerge from the space between an experience of flow and synchronicity from which new ideas spring forth how to create and hold this space is the secret to the art of co creation collective breakthroughs require stakeholders to undergo a journey from the world of their existing expertise into spaces of new potential it requires leaders moving from a position of dominating space to holding the space for others and developing core capacities such as empathy and awareness so that teams can engage each other co creatively this book uncovers the secrets of this journey enabling process designers to develop more effective programs

being inspired can be a magnificent invigorating feeling but it s also one that we know surprisingly little about does it happen by chance are all forms of inspiration the same can we influence how and when we feel inspired these are searching questions particularly for people who take on the responsibilities and challenges of leadership given the tumultuous state of the world today effective leadership throughout our organizations and communities has never been more important equally though there has also never been greater pressure on leaders to perform and to provide

inspirational leadership for their people and teams if individuals are to step up and succeed in inspiring others their first priority must be to discover the inspiration they need for themselves the inspired leader helps them do just that the book is based on extensive new research conducted in association with henley business school into the real life experiences of leaders from many different walks of life drawing on the latest behavioural science andy bird explains how inspiration is actually experienced by people in positions of leadership he also examines how they maintain it over time despite the many obstacles and challenges they face the result is a compelling collection of stories insights and ideas which are accompanied by a thought provoking set of personal development tools and reflective exercises in combination the inspired leader provides unrivalled support for anyone seeking their own path to a more inspired life as a leader

behavioral science books are popping up on bestseller lists predictably irrational thinking fast and slow nudge decisive even the white house launched a behavioral insights team to match the british ministry of nudges conspicuously absent from this conversation is the church the irrational jesus bridges this gap ken evers hood looks at jesus through the lens of cognitive heuristics mental shortcuts and biases blind spots and makes the case that a fully human jesus is predictably irrational just like all of us find out how the apostle paul s community building mirrors a prisoner s dilemma game and how this makes paul an irrational leader too discover how playing better games in church can foster hopeful flourishing communities improve your decision making learn when to plan for irrationality and when to live into it the irrational jesus addresses these issues and more integrating the insights of behavioral economists such as dan ariely the gameful thinking of jane mcgonigal and cutting edge ideas from decision theory evers hood articulates a behavioral theology for fully human pastors of fully human congregations a fresh perspective that will change how pastors and other church leaders see themselves the institutions they serve and the scriptural and theological tradition

this book first introduces you to an interpersonal world that is in front of you around you and among you you ll be given lenses ways of thinking that open you to this ever present world armed with this perspective the book next provides core

principles and assumptions that prepare you to learn from your relationships in the present tense from what is going on here and now among you and others between you and one other person and within you in the remainder of this book you will learn how to put the new perspectives to work in real time with real people while real issues are going on the lessons provide step by step methods you can use to learn from each perspective the lessons end with three practice exercises that you can use on your own intro

3 e books in one 12 disciplines of leadership excellence master the 12 disciplines of powerful leadership and lead your organization to greatness leadership experts brian tracy and dr peter chee assert that great leaders are made not born everyone has the ability to shape himself or herself into the kind of person who enables and uplifts others to reach their highest potential and in 12 disciplines of leadership excellence they reveal exactly how to achieve it it all starts with discipline in this groundbreaking book the authors break down great leadership into 12 disciplines including clarity about who you are where you are going and how to get there control build and bolster your sense of personal responsibility and self mastery character dedicate yourself to passionately build trust with honesty and integrity competence commit to constant never ending improvement and learning caring because when you care your people care in building great working relationships courage moving out of your comfort zone to embrace change and make tough decisions coaching for breakthrough success a powerful new coaching method from chicken soup for the soul co creator jack canfield combining time tested principles of exemplary coaches with the latest disruptive techniques used by the world's top performing leaders coaching for breakthrough success is a playbook that shows you how to nurture in yourself and others the three essential requirements of coaching excellence 1 heart the coaching principles tcp unveils the secret to life impacting values beliefs and philosophies that permeate all aspects of great coaching 2 mind the situational coaching model scm unleashes the genius of a coach to apply the right combination of crucial paradigms in any given coaching challenge 3 energy the achievers coaching techniques act equips you with proven methods that enable you to deliver breakthrough results in coaching coaching for breakthrough success is packed with stirring personal stories life changing case studies crucial
