But with Nigella's help, perhaps they'll both learn to balance the weight of their family with their own.

Alexa Volkov lived a privileged life far from the messy underbelly of her father's Russian mafia. As a crime boss daughter, she is in a unique position to collapse the organization from the inside out. Her plan to testify against the mob patriarch puts a bounty on her head that would tempt even the most trustworthy cop, especially one hell-bent on punishing her for the sins of her father. But the safe house part of Damian's protection plan is anything but safe in a place where alliances are not what they seem, and the most dangerous heat bearing down on them is the forbidden burn of seduction.
