hamilton's study on the first 17 chapters of the book of genesis is part of the new international commentary on the old testament like its companion series on the new testament this commentary devotes considerable care to achieving a balance between technical information and homiletic devotional interpretation

a thorough revision of youngblood's two earlier studies how it all began and faith of our fathers the book of genesis provides students with a vast resource for understanding the beginning of the universe marriage society redemption life sin and civilization ronald youngblood makes a profound application of the genesis message to the issues of contemporary life

for decades millions of christians have discovered william barclay's daily study bible to be the ideal new testament commentary series for both devotional reading and serious bible study now carrying forward brilliantly the pattern established by barclay the daily study bible has been extended into a coverage of the entire old testament invaluable for individual devotional study for group discussion and for classroom use the daily study bible now provides a useful reliable and eminently readable way to discover what the old testament

writers were saying then and what god is saying today

take a visual journey of the creation of the heaven and earth by the lord god

j paterson smyth's insightful commentary and analysis bring the ancient stories of genesis to life illuminating their meaning and significance for modern readers from the creation of the world to the lives of the patriarchs this book offers a comprehensive and engaging look at one of the most important texts in the judeo christian tradition

drawing on the latest in genesis scholarship this volume offers twenty nine essays on a wide range of topics related to genesis written by leading experts in the field topics include its formation reception textual history and translation themes theologies and place within judaism christianity and islam

based on the revised standard version second catholic edition this 14th volume in the popular bible study series leads readers through a penetrating study of the book of genesis using the biblical text itself and the church's own guidelines for understanding the bible ample notes accompany each page providing fresh insights and commentary by renowned bible scholars scott hahn and curtis mitch as well as time tested interpretations from the fathers of the church they provide rich historical cultural geographical or theological information pertinent to the old testament book information that bridges the distance between the biblical world and our own the ignatius study bible also includes topical essays word studies and charts the topical essays explore the major themes of genesis often relating them to the teachings of the church the word studies explain the background to important bible terms while the charts summarize crucial biblical information at a glance each page includes an easy to use cross reference section study questions are provided for each chapter that can deepen your personal study of god's word there is also an introductory essay covering questions of authorship date destination structure and themes also included is an outline of genesis as well as several maps

this is a book of history and its narratives are of such importance that without them it would be difficult to understand the scriptures of the old and new testaments these narratives are records of unique and initial events of beginnings and origins so that the book is properly named genesis which is a greek word meaning origin the book opens with the story of creation 1 1 to 2 3 this is followed by a sketch of human history down to the birth of abraham 2 4 to 11 26 the remaining and main portion of the book presents the lives of the four patriarchs from whose family came the people of israel and ultimately the saviour of the world introduction

this commentary offers a synthesis of close readings of genesis 1 11 and up to date study of the formation of these chapters in their ancient near eastern context each interpretation of these evocative and multilayered narratives is preceded with a new translation with textual

and philological commentary and a concise overview of the ways in which each text bears the marks of its shaping over time this prepares for a close reading that draws on the best of older and newer exegetical insights into these chapters a reading that then connects to feminist queer ecocritical and other contemporary approaches

by using recent developments in literary theory w lee humphreys uses genesis to show how god functions as a character in the genesis narrative very creatively humphreys explores the coherence and consistency of god as a character the way in which god s character changes and develops throughout the narrative and how giving attention to the character of god enriches our experience of reading genesis

a new updated edition of a beloved favorite within the realm of sacred texts genesis stands as a pillar a foundational book that shapes the torah the old testament and ultimately the entire christian bible through its rich tapestry of stories and images genesis often leave readers pondering the deeper meanings hidden within its verses in the latest installment of the bestselling how to read series tremper longman iii offers an enlightening path to grasping what genesis is meant to communicate to both its original readers and contemporary audiences how to read genesis 2nd edition gives readers an invaluable guide that examines the various lenses through which genesis can be viewed enriching comprehension and appreciation of its narratives delves into the cultural backgrounds that influenced genesis providing a fuller picture of its significance and teachings uncovers the layers of history and authorship that contributed to the creation of genesis explains the background of the literary forms and structural elements that make genesis unique offers an understanding of how genesis fits into the broader context of the bible connecting its themes and messages to the entire christian narrative building upon historical cultural and literary context how to read genesis 2nd edition will not only enhance your knowledge but will also foster a deeper connection with the text and its timeless wisdom longman has long been known for his ability to analyze disparate literary genres and historical elements of scripture while crafting a solid christological perspective and on this point he does not disappoint that is he seeks to provide space for genesis as literature myth history and at last ways to read genesis as a christian a perspective that he identifies as preposterous and distorting and yet not only prompted by jesus himself as in luke 24 but absolutely needed in the context of current christian teaching and preaching this is a short valuable and timely look at a misunderstood book library journal review february 2025
