the bible s prophets an introduction for christians and jews introduces the reader to the world of joshua judges 1 and 2 samuel 1 and 2

kings and the literary prophets isaiah jeremiah and ezekiel plus the twelve minor prophets hosea joel amos obadiah jonah micah nahum habakkuk zephaniah haggai zechariah and malachi these books form the second section of the hebrew bible the prophets neviim features introduction to the bible introduction to the prophets and do the prophets predict the coming of the messiah each chapter covers one particular biblical book chapter divisions 1 2 introduction with chapter by chapter analyses or section by section analyses geo political and historical background significant events personalities concepts and divisions 3 the biblical book and the christian scriptures 4 the biblical book in rabbinic literature how did the rabbis utilize quotations from the prophets to teach their values extensive quotations 5 text study an excellent source for christian jewish or interfaith study of the bible s prophets

i bring you good tidings of great joy which will be to all people luke 2 10 the word gospel means good news and who couldn t use some good news these days the first four books of the new testament called the gospels contain the very best news ever heard the message of how you can have

this comprehensive volume explores the history development and significance of biblical manuscripts providing an in depth analysis of their discovery preservation and transmission it covers various manuscript families textual variations and dating techniques offering valuable insights into the accuracy and reliability of biblical texts the book also examines the evolution of biblical translation efforts the role of scribes and modern technological advancements in manuscript preservation and analysis rich case studies illustrate how textual variants can influence doctrine and interpretation while discussions on external attestations and archaeological finds strengthen confidence in the biblical record designed for scholars students and anyone interested in biblical history this work aims to deepen understanding of the biblical text s historical and textual integrity

having been a teetotaler for more than thirty years the author s personal habits associations and sympathies have all been in favor of the unfermented theory but the facts encountered in the present investigation have constrained him reluctantly to conclude that so far as the wines of the ancients are concerned unfermented wine is a myth preface

it is sometimes said that the bible is one of the most unread books in the world yet has been a major force in the development of western culture and continues to exert an enormous influence over many people's lives this very short introduction looks at the importance accorded to the bible by different communities and cultures and attempts to explain why it has generated such a rich variety of uses and interpretations it explores how the bible was written the development of the canon the role of biblical criticism the appropriation of the bible in high and popular culture and its use for political ends about the series the very short introductions series from oxford university press contains hundreds of titles in almost every subject area these pocket sized books are the perfect way to get ahead in a new subject quickly our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

a clear guide to help readers understand why they can trust the bible we are often told we can no longer assume that the bible is trustworthy from social media memes to popular scholarship so many attacks have been launched on the believability of scripture that many have serious questions about the bible such as did jesus actually live did the biblical writers invent their message how can we trust the gospels since they were written so long after jesus lived how can we believe a bible that is full of internal contradictions with itself and external contradictions with science aren't the biblical manuscripts we have just copies of copies that are so corrupted they don't represent what the original authors wrote why should we believe the books that are in the bible since many good ones were left out like the gospel of thomas why trust the bible when there are so many contradictory translations of it if you find yourself unable to answer questions such as these but wanting to why i trust the bible by eminent bible scholar and translator william mounce is for you these questions and more are discussed and answered in a reasoned definitive and winsome way the truth is that the bible is better attested and more defensible today than it ever has been questions about the bible are perhaps the most significant challenge confronting christian faith today but they can be answered well and in a way which will lead to a deeper appreciation for the truth and ongoing relevance of the bible
