the city is an essential theme of modernity in literature architecture photography and film this book first focuses on ardent reactions to the metropolitan explosion in the nineteenth century with baudelaire and poe as key figures more recent representations of the city are then investigated in europe and the united states lombardo reflects on the way in which the changes in human perception created by urbanization are expressed in the various arts in terms of form and content

this challenging study of a number of american writers belongs in the tradition of the history of ideas approach to literary history it offers an analysis of american literary developments and the relationship between writers and the philosophical and social thought of their times martin examines the works of emerson whitman dickinson crane frost pound hemingway dos passos stevens williams and several others with a sharp eye for the artistic consequences of changing epistemological assumptions and for the connection of ideas and form isbn 0 8223 1125 9 29 95

this book plans to discuss robert frost's constructive attitude towards life as portrayed in most of his poems the author has given a new perspective to frost's criticism the sense of death decay degeneration devaluation disintegration and alienation has been the prominent wing of modern poetry frost is conscious of all these aspects of modern life it is not that he is unaware of the modern predicament rather he is useless to call our time bad in his poetry one finds a different approach to the problems of life in spite of the fact that life is full of distressing aspects frost describes life worth living in birches he declares earth's the right place for love i don't know where it's likely to go better this reveals the fact that he is not one among the palayana panthis neither is he a nirashavadi he is an ashavadi who believes in this creation

spanning twenty five years this historic collection of writings shows vaclav havel's evolution from a modestly known playwright who had

the courage to advise and criticize czechoslovakia s leaders to a newly elected president whose first address to his fellow citizens begins i assume you did not propose me for this office so that i too would lie to you some of the pieces in open letters such as dear dr husak and the essay the power of the powerless are by now almost legendary for their influence on a generation of eastern european dissidents others such as some of havel s prison correspondence and his private letter to alexander dubcek appear in english for the first time all of them bear the unmistakable imprint of havel s intellectual rigor moral conviction and unassuming eloquence while standing as important additions to the world s literature of conscience from the trade paperback edition

diana collecott proposes that sappho s presence in h d s work is as significant as that of homer in pound s and of dante in eliot s
