what the ceo wants you to know takes the mystery out of business and shows you the secrets of success have you ever noticed that the business savvy of the world s best ceos seems like a kind of street smarts they sense where the opportunities are and how to take advantage of them and their companies make money consistently year after year

how different is it to run a big company than to sell fruit from a cart or run a small shop in a village in essence not very according to ram charan from his childhood in india where he worked in his family s shoe shop to his education at harvard business school and his daily work advising many of the world s best ceos ram understands business as few can the best ceos have a knack for bringing the most complex business down to the fundamentals the same fundamentals that are used to run the family shoe shop and they have business acumen the ability to focus on the basics and make money for the company what the ceo wants you to know captures these insights and explains in clear simple language how to do what great ceos do instinctively and persistently understand the basic building blocks of a business and use them to figure out how your company makes money and operates as a total business decide what to do despite the clutter of day to day business and the complexity of the real world many people spend more than a hundred thousand dollars on an mba without learning to pull these pieces of the puzzle together many others lack a formal business education and feel shut out from the executive suite what the ceo wants you to know provides you with the universal laws of business success no matter whether you are selling fruit from a stand or running a fortune 500 company

over 300 000 copies sold worldwide the most influential consultant alive fortune one of the classics of business literature what the ceo wants you to know by bestselling author ram charan has been expanded and completely updated for today s business world the book describes the fundamentals behind every business from a street vendor in nicaragua to a global corporation drawing on stories from his childhood helping with the family shoe store in india and on multinational companies including amazon apple netflix and starbucks charan shows that every money making enterprise is the same at its core he demystifies the language of big business terms such as gross margin inventory velocity and return on invested capital by explaining in clear simple language what they actually represent and he demonstrates with concrete examples how leaders falter when they lose sight of even one of these basics this concise and engaging book will lift your perspective and maybe your ambitions by teaching you how to cut through the complexity of any business it will get you thinking like a ceo in no time

the classic on the universal laws of business success completely revised and updated for today s leaders completely rewritten for today s business world what the ceo wants you to know expanded and updated written by bestselling author ram charan describes the fundamentals behind every business from street vendors in mumbai to fortune 500

companies drawing on stories from uber amazon apple toyota netflix lyft the limited walmart ge and starbucks charan in the most accessible language imaginable explains the ins and outs of how companies work from gross revenue and operating costs to inventory and cash flow from turnover profits and margins to return on capital and accounts payable and receivable from product quality to sales a classic in the business literature with hundreds of thousands of copies in print this short and engaging book is like a miniature mba course between covers for everyone who wants to master and understand the levers that drive a successful business what the ceo wants you to know is the perfect answer

please note this is a companion version not the original book sample book insights 1 the best ceos are like the best teachers they are able to take the complexity and mystery out of business by focusing on the moneymaking fundamentals and they make sure that everyone in the company understands those building blocks of business 2 business is simple and logical it is based on serving your customers managing your cash effectively using your assets wisely and constantly improving and growing these are the basics 3 all employees no matter what they do for a living will be better at their jobs if they understand how moneymaking tools are applied within their organizations the same is true for business 4 the best ceos and street vendors think the same way they know their cash situation their most profitable items and the importance of keeping their products moving off the shelves they know their customers because satisfying customers is what ultimately keeps you in business
